Essential Connectivity

The ALOGIC 4-in-1 USB-C Fusion USB-A Hub will unlock your iPad Pro/MacBookPro/Air's or any other USB-C device's full potential by adding up to four USB-A ports allowing you to use all your current USB-A accessories such as hard drives, flash storage drive, printers, scanners, mice, keyboard etc

Plug & Play

To make the user experience simple and efficient, the Fusion 4-in-1 Hub is equipped with a Plug and Play design, this feature eliminates the need to install any additional software or driver, all you need to do is simply plug the hub, and the device is ready to use.
