

Delivery & take-out catalog

BY

Huhtamaki

The surge in demand for delivery and takeout transactions is coming mostly from coffee and burger chains.

68% of delivery orders replace meals that otherwise would have been prepared at home.

Baby boomers eat out 6% more often than millennials.

Designed with delivery in mind, Huhtamaki products help your food exceed customer expectations even after it leaves the kitchen. With functionality for today's latest menu trends, our bowls, containers, drink carriers and more are made to move.

33% of consumers say that ordering takeout is essential to their lives.

Molded fiber hinged containers

- 100% compostable
- Stackable for easy delivery and take-home portability
- Maintains integrity of food during transit – molded fiber composition acts as an insulator to keep hot foods hot and cold foods cold
- Available in convenient, popular sizes for any menu item
