

HP 650 Wireless Keyboard and Mouse Combo (4R013AA)

A Keyboard & Mouse Without Compromise

Now you can get everything you want in a wireless keyboard and mouse combo – comfort, productivity, reliability and style. Customize the functions of 20+ keys[1] and enjoy precise mouse tracking to work faster and smarter. This combo contains recycled materials[2] and they're also easy to keep clean and sanitary[3].

Sleek, Stylish & Comfortable

This sleek, stylish keyboard includes legs that can be adjusted by up to 6 degrees while contoured keycaps and 2.0 mm travel delivers an accurate typing experience. A contoured mouse and grip design delivers every day comfort for left or right-handed users.

Customize to Optimize

Program 20+ keys on this keyboard with HP Accessory Center[1] so you can reduce keystrokes and work smarter in your most used apps. Plus you can easily customize mouse DPI settings to control cursor speed and sensitivity.

Free Your Mouse

Working on different surfaces can cause your mouse to work erratically. Problem solved with a Multi-Surface Sensor[4]. With better tracking, you're now free to mouse on more surfaces like marble. Plus this new sensor is more power efficient for an increased battery life.

Featuring

Sustainable Design Features

Responsibly designed, this combo helps reduce landfill waste by using post-consumer recycled materials that make up more than 60% of the plastics in the keyboard and mouse[2].

Easy to Keep Clean and Sanitary

Will withstand 1,000 cleanings using disinfecting wipes[3].

Specifications
