TRANSFORM YOUR PHONE INTO A COMMUNICATIONS CONSOLE

BENEFITS

- Easy to track call activity on its 5" color LCD screen.

- More contacts at your fingertips with 22-line keys and 3 pages — up to 66 contacts per expansion module.

- Turn your Poly Edge Series phones into a cost-effective attendant solzution: works seamlessly with all E400, E450, E500, and E550 phones.

- Track even more calls and contacts with the ability to plug up to 2 modules (E500 and E550 phones only).

- Easy to install with plug-and-play setup and powering provided by the Poly Edge E400/E500 Series host phone.

POLY EDGE E EXPANSION MODULE

Fantastic news for telephone attendants, administrative staff, and other phone power users: The Poly Edge E expansion module can help you reduce the number of lost customer calls, shorten transaction times, and support more accurate call routing. Super-charge your Poly Edge E400/E500 Series phones with 22 multifunctional line keys that can be easily set up as line registrations, call appearances, speed dials, direct stations or busy lamp field keys. Setup is a plug-and-play snap, with power and signaling provided by the host phone. Screening, dispatching and monitoring calls has never been easier.

- 5" color LCD screen.
- 22-line keys and 3 pages.
- Up to 66 contacts per expansion module.
- Programmable line keys and a simple, intuitive user experience.
