MOUNTING INSTRUCTIONS

1. Place up to two Unify appliances from the back through the opening of the rack.
2. Optional: remove 1 front plate by applying force on the front side of the rack until the upperside comes loose. Now move the plate in both directions in quick succession until the front plate breaks from its carrier.
3. Remove the 2 rubber strips from the bottom of the appliance.
4. Remove the 4 bolts situated on the bottom of the appliance.
5. Place the appliance on the rack and fix the appliance with the 4 provided bolts.
6. Place your UB-Rack in your 19 inch rack.
7. Place the front plate above or below the UB-Rack in your 19 inch rack. Together they are 2U high.

Please ensure proper ventilation according to the network appliance manufacturer guidelines.
