DESKTOP PRINTERS

# PC45D Healthcare

The PC45D direct thermal desktop printer for healthcare brings powerful performance, reliable connectivity, and easy integration in a compact, disinfectant-ready housing to tackle rapidly changing healthcare work environments.

## Overview

Feedback

### Rugged & Disinfectant-Ready

The PC45D 4-inch direct thermal printer is engineered specifically for healthcare environments. It features a large touchscreen and enterprise-level ruggedness, ensuring reliable performance with minimal downtime. Its disinfectant-ready housing can withstand frequent cleanings, making it perfect for clinical workflows.

### Seamless Connectivity

Stay connected with Wi-Fi 5 and Bluetooth® 5.1 LE for uninterrupted productivity. The printer's WLAN connectivity allows for rapid data capture and swift deployments within your organization, enhancing operational efficiency.

### Effortless Customization with Smart Parse

Smart Parse technology simplifies your printing tasks by enabling you to resize objects, barcodes, and font types without accessing the backend system. The PC45D supports various network protocols and multiple print languages, whether on a local server or a cloud network.

### Comprehensive Network Control

The Honeywell Printer Edge™ platform provides a centralized management system for your printer network. Enjoy real-time visibility, automated software updates, and robust security—ideal for businesses that can't afford downtime.

### Optimize Your Workflow

Printer Edge streamlines operations, making it easier to manage costs and improve efficiency across your printing processes. With enhanced control of your printer network, you can focus on delivering quality care and services.

## Specifications

FEATURES

| Features                                                                                                                                                                                          | Compatible Software                                                     | Compatible Drivers                                                                                                                                                                                           |

SOFTWARE & FIRMWARE

Printer Command Language

- Fingerprint (FP), Direct Protocol (DP), Intermec Printer Language (IPL), ZSim2 (ZPL-II), DPL, XML-enabled for SAP All and Oracle WMS, PDF, C#

HARDWARE

Printer Connection Interface

- Bluetooth
- Ethernet
- USB
- Wifi

ELECTRICAL

Operating Voltage

- 100-240V AC

ENVIRONMENTAL

Operating Temperature

- 0°C to 45°C (32°F to 113°F)

SERVICE TERMS

Warranty Duration

- 2 years

OTHERS

Print Width

- 4 inch

Print Volume

- Up to 2,000

Print Technology

- Direct Thermal

Print Resolution

- 203 dpi

Industry

- Healthcare
- Healthcare
- Healthcare

Connectivity

- Ethernet
- Wi-Fi
