

Lenovo Legion Go

It's Go Time!

Embark on an epic gaming journey with the Lenovo Legion Go! This powerhouse packs a Windows 11 gaming PC in your hand, powered by AMD Ryzen™ Z1 Extreme series processors. Experience gaming mastery with FPS mode, detachable controllers, and an immersive 8.8" QHD+ display with up to 144Hz refresh rate. Legion Space connects to popular launchers for easy access to your favorite titles. With a 49.2Whr battery and fast charging, game on the move without limits.

WHY YOU SHOULD BUY THE LENOVO LEGION GO

AMD Ryzen™ Z1 Extreme Series Processors: Bring the Game

Powered by AMD Ryzen™ Z1 Extreme chips, the Lenovo Legion Go puts unbeatable power in your hands. The Ryzen Z1 Extreme series processors, built on the "Zen" 4 architecture, combined with AMD RDNA 3 graphics to rival console gaming. With up to 8 cores and 16 threads, the Ryzen Z1 Extreme Series delivers industry-leading gaming experiences, incredible battery life, and immersive experiences.

Master Every Move

Experience joystick perfection with Legion Go's trailblazing hall effect joystick. Bid farewell to joystick drift as the hall effect joysticks offer lasting durability and maximum responsiveness. Ergonomically designed detachable controllers feature anti-slip texture, mappable controls, and an integrated trackpad for seamless PC to handheld gaming. Enjoy precise aiming with the FPS mode and stay comfortable with minimal wrist pressure. The iconic Legion O-adorned power button adds style, while intuitive and customizable controls elevate your gaming skills to pro level.

Immerse in Gaming Splendor with Lenovo PureSight Gaming Display

Elevate your handheld gaming experience with the Lenovo Legion Go. Immerse yourself in a world of gaming excellence with the 8.8" QHD+ display, fortified with Gorilla® Glass for exceptional visual quality and unbeatable damage resistance. Witness breathtaking visuals and crystal-clear graphics thanks to the captivating 500nit brightness and 97% DCI-P3 color gamut. Tailor your experience, adjusting resolutions and refresh rates. Engage effortlessly with the 10-point touch screen. Set fire to the competition with the Lenovo Legion Go.

Legion Space: One Hub, Limitless Chase

Legion Space brings together games from all your favorite platforms, eliminating the need to juggle multiple launchers and interfaces. Switch effortlessly between Xbox Game Pass, Gamesplanet store, and more. Take your games on the go with cloud gaming services, stream from your Legion PC, and enjoy Android game emulation. Customize settings for a unique gaming experience. Every Legion Go includes three free months of Xbox Game Pass Ultimate. Unlock endless gaming possibilities with Legion Go.

LENOVO SERVICES

Legion Premium Care Support Depot⁶

Excel at any level with top-tier power players in your corner. Our dedicated experts equip you with fast remote solutions as well as depot repairs. Gaming late into the night? They'll be up to help you via chat, email, or phone 24/7.

¹Super Rapid Charge: 10min charge 0-30% capacity, 30min charge 0-70% capacity, 80min charge 0-100% capacity in MS/SS/S4/S5 mode. Must use charger included with device; battery must be substantially depleted; charging rate slows as charging progresses. All battery life claims are approximate and based on two methods of testing including MobileMark™ 2018 battery life benchmark (with 200nits brightness and default volume level) and continuous 1080p video playback on the latest update of Windows 11 and up (with 150nits brightness and default volume level). Actual battery life will vary and depends on many factors such as product configuration and usage, software use, wireless functionality, power management settings, and screen brightness. The maximum capacity of the battery will decrease with time and use.

²Requires separately purchased Wi-Fi router and plan that may vary by location. Additional terms, conditions and/or charges apply. Connection speeds will vary due to location, environment, network conditions and other factors.

³Actual available capacity is less and varies due to many factors, including formatting, partitioning and operating system, etc. which utilize part of this capacity. The available capacity may change with software updates. MicroSD card sold separately.

⁴Credit card required. Unless you cancel, you will be charged the then current regular membership rate when the promotional period ends. Terms and exclusions apply. After term, active membership required to play games and online multiplayer. Game catalog varies over time, region, and by device. DLC sold separately; if a game is removed from catalog or your membership ends, you will need to purchase the game separately to use your DLC. If you're already an Xbox Live Gold and/or Game Pass for Console/PC member, any days remaining in your membership will be converted to Ultimate using a conversion ratio. Future code redemptions also subject to conversion ratio. All conversions to Ultimate are final. Details and system requirements at www.xbox.com/gamepass. Offer valid in all Xbox Game Pass markets excluding Russia. Digital Direct: Your digital content will be delivered directly to your device during set up; no codes required. See xbox.com/subscriptionterms.

⁵Current Xbox Game Pass subscribers will receive an additional three months added to their subscription.

⁶Legion Ultimate Support Depot with gamer-centric technicians is currently only available in the United States, Canada, Japan, India, Taiwan, Hong Kong, Singapore, Philippines, Malaysia, Thailand, Vietnam and Korea. The rest of the world will get the support from Lenovo advanced technicians. Products and offers are subject to availability. Lenovo reserves the right to alter product offerings and specifications, at any time, without notice. Some markets may not have 24/7 support capability and will follow the best available SLA.
