# Features

## Smart + intuitive meetings

Make sure everyone is seen clearly with Poly DirectorAI smart camera technology. Its fast and accurate people, group, or speaker framing modes deliver an unrivaled video experience.

## Up close and professional

Feel like you're face-to-face on both sides of the call. The 4K high-resolution camera sensor captures the entire room with life-like video and everyone in it with total clarity.

## Complete call control

Schedule and conduct Zoom meetings with ease via seamless, Zoom-certified integration with the app. The TC10 offers a clear, high-resolution 10" touch display that makes its intuitive controls easy to find and use.

## Be free to focus

Let clearer audio do the talking with Poly NoiseBlockAI and Acoustic Fence technologies. This noise-eliminating, smart technology blocks distractions and prevents noise from interrupting the flow of your team's discussions.

## Security that means business

The powerful and secure conferencing PC is protected from malicious attacks at the BIOS level so you can deploy your solution with total confidence.

## Simple setup

Get meetings up and running in a snap. With just a couple simple connections, IT teams can set up any system in fewer steps with fewer wires.
