

## Meet. Schedule. Join

The Poly TC10 touch control panel makes meetings more productive and allows users to easily schedule workspaces and conference rooms.

### **Easier room scheduling**

Meeting spaces are a breeze to schedule with a Zoom-certified scheduling panel. Multi-color LED lights let you know the vacancy status before you approach the door. And the touch screen lets you schedule your next meeting space in seconds.

### **Complete call control**

Instantly take charge of calls and enjoy seamless access to your favorite cloud video apps on your room's video system. Control of your video calls with ease and share content with a tap.

### **Clean and simple installation**

Our versatile touch panel is sleek and professional. Mount it on walls or glass or place it on a table with its flexible stand. Adjust the angle for visibility. With a single cable for power and connectivity, it maintains a clean profile.

## **Featuring**

### **Useful inside or outside any room**

The incredible versatility enables it to be used outside the room for scheduling, or inside the room as a video and room controller.

### **Large, clear display**

The TC10 offers a clear, high-resolution 10" touch display that makes its intuitive controls easy to find and use.

### **Sleek design**

The TC10 offers a uniquely tidy, professional-looking setup, thanks to its sleek design and convenient single cable for both power and connectivity.

### **Certified for Zoom**

Schedule and conduct Zoom meetings with ease via seamless, Zoom-certified integration with the app.

### **Certified for Microsoft Teams**

Deploy as a controller for Microsoft Teams on Android when paired to a Poly video system or install outside the room as a Microsoft Teams Panel for scheduling.
