

# HP USB-C Travel Hub G3 (86S97UT)

## Overview

### Connect. Charge. Go

Add five essential ports to your notebook using this USB-C® Travel Hub. Sleek and compact, enjoy a superb mobile hub experience through scalable power delivery plus plug and play connectivity with almost any brand, device and operating system[1]. Maximize productivity wherever work takes you.

### Small Hub. Big Connectivity

Expand one laptop USB-C® port[3] into five (USB-C x 2, USB-A x 2 and HDMI) connections, enough to support multiple devices and a single external display up to 4K resolution at 60hz[2]. Enjoy plug and play, universal connectivity with almost any brand or device[1], along with lightning fast 10 Gb data transfer speeds.

### Scalable Power

This light weight and compact hub is not just portable, it's powerful. When you're on the go, carry one hub for pass-through connectivity and scalable power delivery to from your laptop's USB-C® type 65W, 90W, or high power adapter[4], or power the hub from your device's USB-C® port.

### Maximum Compatibility, Minimum Clutter

Wherever you find yourself in the world, this super portable compact hub will work with what you're working with. Featuring multi-OS support[1] for Windows, MacOS, Chrome OS, iOS, and Android. Plug in almost any of your devices and keep your productivity charged up whenever and wherever you need it.

### Designed For Our Shared Future

Besides powering your many devices, this USB-C® Travel Hub also has the power to help protect our planet. Each hub contains over 80% post-consumer recycled (PCR) material[5] and comes in FSC-certified packaging.

# Features

## Multi-OS Connectivity

Work across multiple platforms (Windows, MacOS, ChromeOS, iPadOS and Android) with just one USB-C® Travel Hub.

## Plug and Play Portability

With a sleek, rugged design, this compact hub is a perfect travel companion so you can be productive from anywhere.

## Built-In Protection

Built-in protections guard against excessive current, voltage and temperature. Secure firmware upgradability meets HP Secure FW requirement.

---
