ProductSheet
Poly Studio R30 USB Video Bar No Radio GSA/TAA JITC (980F2AA)

Simply better meetings

Transform your collaboration with advanced video capabilities and superb audio quality that are simple for anyone on your team to use. The result is meetings that start on time, increase inclusivity, and improve communication and productivity.

Smooth meetings
The Poly Studio R30 Plus solution includes a dynamic video bar, easy-connect dock, and remote control to simplify meetings. Anyone can connect their compatible laptop to the video system which makes it easy for everyone in the room to participate [1].

Boardroom-quality conferencing
Bring stunning video quality and audio excellence to meetings in your smaller rooms. Intelligent camera framing, a wide 120-degree field of view, exceptional voice clarity, and smart noise reduction make collaboration productive [2].

Reduce wasted time
Eliminate technology headaches with one USB Type-C® cable that easily connects a laptop to the in-room devices and powers your computer. Keep things moving with a remote that lets anyone easily control mute and volume and adjust the camera.

Featuring

Never miss a moment
Poly DirectorAI smart camera framing works behind the scenes to keep you framed how you want-whether that's switching between people speaking, following a presenter, or a close up view of everyone in the room. Keep everyone engaged and involved.

Impeccable noise reduction
Poly NoiseBlock AI and Acoustic Fence Technologies reduce background noise and provide an interference-free audio experience. Minimize distractions, such as keyboard typing, or nearby conversations so you can focus on collaboration.

Quick and effortless setup
Swiftly set up your Poly Studio R30: just two cords are needed. Plug in the power and connect your PC via USB and you are ready to go. Remember you may want to connect your PC to the monitor, which would require a separate HMDI cable.

Clear resolution
Say goodbye to grainy, blurry videos that make it hard to focus and connect. Our stunning 4K resolution, provides you with lifelike visuals that capture every expression, gesture, and nuance for a truly engaging meeting experience.

Bring everyone together
Gather the team without feeling cramped. The impressive 120-degree field of view allows everyone to be seen. This wide angle eliminates the need for camera adjustments or awkward
