

HP Engage Flex Mini Retail System (B3VP3UA)

Overview

An operations powerhouse that fits anywhere

Drive every facet of your business—from back-office operations to digital customer engagements, to point-of-sale—with the HP Engage Flex Mini. It packs big performance into an incredibly compact device and provides near endless configuration options, so you get a system tailored for your needs.

Petite yet powerful

This mighty powerhouse delivers across your business without taking up valuable space—featuring an Intel® Core™ processor^[2] and ample memory and storage for fast, seamless operations.

Industry leading security and reliability

Business interruptions are not an option. That's why the HP Engage Flex Mini was designed to pass rigorous military standard testing^[5] and has security features built-in—protecting from the BIOS to the browser, above and below the OS.

Endlessly configurable

Design a system for your unique business operations with abundant options across storage, memory, and processor. Further customize with two configurable I/O ports to attach accessories and displays, and a choice of Windows 10 Pro or Windows 10 IoT.^[4]

Accelerate your edge solutions

Get the power you need to run sensor-based solutions including inventory management and more. Choose from the latest graphics and Intel® processor options.

[2] Optional, configurable feature that must be configured at purchase.

[4] Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.windows.com>.

[5] MIL-STD-810G is not intended to demonstrate fitness of U.S. Department of Defense (DoD) contract requirements or for military use. Test results are not a guarantee of future performance under these test conditions. Accidental damage requires an optional HP Accidental Damage Protection Care Pack.
