

HyperX Pulsefire Haste 2 Pro - 4K Wireless Gaming Mouse (A1KY5AA)

Overview

Welcome to the Next Level

The HyperX Pulsefire Haste 2 Pro 4K unlocks a whole new level of gaming performance. This is HyperX's first mouse to support a true 4k polling rate, no extra components needed. This lightning-fast mouse reports its position to your PC four times per millisecond for incredibly accurate mouse tracking. The speed doesn't end there! This mouse is equipped with HyperX Optical switches for smoother, faster actuation at every click. HyperX Optical Switches are engineered to maintain the tactile feel of a mechanical switch, without the input delay and debounce effect. True to the Haste family name, the Pulsefire Haste 2 Pro utilizes a lightweight 61-gram structure that you can game with for hours without the fatigue and drag of heavier peripherals. Speaking of extended gaming sessions, the Pulsefire Haste 2 Pro can game for up to 90 hours on a single charge. You can also monitor battery life, remap important functions, and set custom DPI levels with HyperX NGENUITY software. The Pulsefire Haste 2 Pro features versatile connectivity options, allowing you to switch between Bluetooth and 2.4GHz at will, or play and charge while connected via USB-C. You can even ditch the dongle and seamlessly connect to Instant Pair enabled OMEN gaming laptops. Experience enhanced gaming comfort with smooth-gliding skates and included adhesive grip tape panels. Pulsefire Haste 2 Pro is also NVIDIA Reflex Validated, so you can check system latency between your mouse and monitor and optimize your PC for performance.

Pro-grade polling rate with super-smooth tracking

Heavyweight performance with a featherweight feel

Long battery life for epic gaming sessions

With up to 90 hours^[2] of power on a single charge, Pulsefire Haste 2 Pro can run for nearly four days straight! Spend more time winning and less time charging.

Heavyweight performance with a featherweight feel

In the heat of battle, agility is key. Pulsefire Haste 2 Pro's lightweight 61 g structure is built for speed and maneuverability. Game longer with less fatigue.

Smooth, Snappy HyperX Optical Switches

HyperX Optical Switches offer smooth, rapid actuation with no debounce while maintaining the solid mechanical feel of traditional switches. Game with confidence knowing every click is captured.

[2] Tested under continuous usage with lighting disabled, 2.4 GHz mode. 90-hour battery life with a 1 kHz polling rate. 30-hour battery life with a 4 kHz polling rate. Battery life varies based on usage and computing conditions.

Specifications

Weight	61 g
Weight	0.13 lb
Battery life	Up to 90 hours (1000Hz), Up to 30 hours (4000Hz)[2]
UPC number	198122802432
Manufacturer Warranty	2 years
What's in the box	HyperX Pulsefire Haste 2 Pro, HyperX Grips, Low-Friction Skates, USB-C to USB-A Cable, USB 4 K Wireless Receiver, USB Extension Adapter, Quick Start Guide

Additional specifications

Acceleration	50 G
Battery type	Rechargeable Li-ion polymer
Buttons	6
Cable length	1.8 m
Cable length (imperial)	5.9 ft
Cable type	Detachable, HyperFlex 2 USB-C to USB-A Cable
Color	Black
Compatibility	PC, PS5, Xbox Series X S. Software Compatibility: NGENUITY
Connection type	Wireless USB Type-C®; Bluetooth®
Country of origin	China
DPI presets	400 DPI; 800 DPI; 1600 DPI; 3200 DPI

Handle	hyperx-pulsefire-haste-2-pro-4k-wireless-gaming-mouse
Height	38.2 mm
Height	1.50 in
KSP 09 supporting point 01 (long)	Pulsefire Haste 2 Pro Wireless is NVIDIA Reflex Validated[5]. It'll work with G-SYNC displays with Reflex to provide precise system latency stats. Game with confidence knowing your PCs at its minimum system latency.
Left/ right buttons switches	HyperX Optical Switches
Length	124.3 mm
Length	4.88 in
Light effects	LED RGB lighting[4]
Max resolution	Up to 26000 DPI
Multiple order quantity	15 units - Minimum Purchase Quantity corresponds to the Carton's Units Quantity.
Onboard memory	1 profile
Optical sensor	HyperX 26K
Polling rate	Up to 4000Hz (Wireless); 1000Hz (Wired)
Published	draft
Shape	Symmetrical
Skate material	PTFE
Speed	650 IPS
Status	FALSE

UNSPSC code	43211708
