MOUNTING INSTRUCTIONS

1. Place the supplied sticker on the designated rack position
2. Slide in the appliance upside down.
3. Push up the metal bracket behind the appliance to secure it in place.
4. Connect the appliance to the keystone with the supplied cable.

Option

5. Push out the front panel for the second appliance. Be careful of possible sharp edges. Repeat step 1 to 4.
6. The reset stick can be used to reset the appliance when the rack is installed. Stick it through the square in the front and guide it to the back. Push the stick upwards at the notch.

Please ensure proper ventilation according to the network appliance
