

Product Specifications & Details

Recess Unit with Bin for Tork Recessed Dispensers

SKU: 309051

General information

The Tork 309051 provides a sleek, all-in-one stainless steel recessed frame and waste receptacle that works with the Tork hands-free hardwound towel system of your choice. Tork 309051 can be fitted with any H1 or H5 system dispenser. When recessing a Tork Matic®, Tork Intuition® or Tork PeakServe® dispenser you will need to combine with the corresponding Tork stainless steel filler panel. The Tork Image Design™ dispensers do not require a filler panel. All solutions provide a complete recessed hands-free towel system.

Product Specifications:

Dispenser Dimensions: 17 1/8" W, 56" H, 4 1/4" D

Rough Wall Opening: 15 3/4" W, 54 3/4" H, 4" min. D

Average Mounting Height: 67" to 74" to top of unit; ADA Height: 60"

SCC Number: 10073286624939

Construction:

Fabricated from type 304 heavy-gauge stainless steel. All welded construction with exposed surfaces having a #4 satin-finish. One-piece, seamless, 22-gauge (0.8mm) flange provided with 1/4" (102mm) return for rigidity.

Waste receptacle is 22-gauge (0.8mm) and secured to cabinet with metal tumbler lock (SCA #9 or Bobrick Cat 74) and is removable for servicing; top and bottom edges hemmed for safe handling.

Capacity:

Waste receptacle is 12-gallons (45.4-L) capacity.

ADA Guide:

Access to paper towels should be 15" to 48" (381 to 1219mm) above the finish floor to allow forward and side reach by people in wheelchairs. Units should not project more than 4" (102mm) from the wall.

Tork H1 and H11 Product Selection:

Tork 309051 Stainless Steel Frame and Bin will accommodate any Tork Elevation H1 System dispenser when used with their corresponding Tork Stainless Steel Filler Panel. It will also accommodate any Tork Elevation H1 System and H5 Std and Mini dispensers when used with their designated recessed dispenser SKUs.
