AUTO240

Drive Smarter, Park Safer Without the Premium Price

The AUTO240 offers premium features without the premium price. It includes a 2.7" LCD screen and True 2.5K Quad HD with HDR recording, capturing sharp detail. New Integrated Smart Parking Mode offers sentry-style protection from hit and runs, while Smart Safety Camera Alerts including Average Speed Cameras adjust warnings based on your speed - the faster you're driving, the earlier the alert. Double your video recording and storage capacity with Extended Recording Mode and use EZYSHARE via Wi-Fi to instantly download footage to your smartphone. Next level protection wherever the road takes you.
