

Smart-UPS Ultra

Half the size and weight, more power protection, 3x the battery life

The most trusted UPS brand brings you the future of uninterruptible power

apc.com/smart-ups-ultra

Life Is On

The world's most popular network and server UPS, now half the size and weight

APC Smart-UPS™ Ultra is the industry's first 1U 3kW UPS and smallest and lightest Lithium-ion 5kW UPS

The world's most popular UPS is now available with a compact design and improved battery life. APC's Smart-UPS Ultra offers trusted, premium power protection to ensure network and data availability. Designed for local edge environments and micro data centers, the Smart-UPS Ultra provides consistent and reliable connectivity at the most critical moments. The UPS's light and compact size allow for installation on the wall or ceilings for top-tier flexibility. Increased UPS battery life and lower maintenance service costs provide a lower total cost of ownership over 10 years.

That's Certainty in a Connected World.

Installation flexibility, like never before

All-in-one mounting brackets for rack, tower, wall, ceiling and desk under mount*

With Smart-UPS™ Ultra you can put power protection in places never before possible. At half the size and weight of comparable UPS available on the market today, the mounting brackets can be used in any of the 4 mounting styles: rack, tower, wall and ceiling/ desk under mount. The auto-rotating touch screen display makes switching between horizontal and vertical mounting options instantaneous.

*wall, ceiling and desk under mount not available on SRTL5KRM2UT

Perfect for more installations

When your UPS gives you more power and takes up less space, you have more space for IT equipment

Fits in more applications than ever before

Due to its small size, Smart-UPS Ultra easily supports back office, network infrastructure and IDF/MDF closets. Install the UPS in out-of-the-way mounting options in small edge environments, retail or back offices.

With more power, Smart-UPS Ultra supports larger branch offices, financial institutions, grocery stores and light industrial manufacturing Healthcare installations such as hospitals, labs and remote clinics.

Delivers both power and extended runtime

Smart-UPS Ultra supplies up to 5000 Watts of power protection. With extended runtime options of up to 10 external battery packs, you can get the extended runtime you need for critical applications.

Predictable operational budget

Perfect for limited operational budgets such as Education and Government, UPS with Lithium-ion batteries can remove battery replacement costs up to 3 times! Smart-UPS Ultra batteries last 8-10 years, 3x that of lead acid (VRLA) batteries, which means that under normal operating conditions, the battery will last the life of the UPS.

Perfect for distributed IT

If you have more than one IT site to manage, Smart-UPS Ultra's EcoStruxure Ready remote monitoring and management options make owning a UPS easy, whether one UPS or a fleet of UPS. Remote management allows many tasks to be taken care of without stepping foot in your IT installation. Predictive monitoring and maintenance minimized trips to far-away IT sites.

Smart-UPS Ultra 2.2 & 3kW features

Half the size and weight, remote monitoring management and services with extended runtime options

50% smaller and lighter, 2.5x more power

Smaller & lighter gives you the flexibility to install anywhere: rack (2 post, 4 post), tower, wall, ceiling and desk under-mount options without compromising power protection needs

High resolution LCD

Auto-rotating display

3x the battery life

The Lithium-ion battery lasts 8-10 years (3x VRLA) and won't need to be replaced under normal operating condition, reducing Total Cost of Ownership

LED status indicator

At-a-glance indication of UPS Status

6 outlets in 1U

Including switched outlet group and pigtail NEMA

SRTL3KRM1UC

SRTL3KRM1UNC

EcoStruxure Ready

Connect to either the Smart-UPSTM Portal or to EcoStruxureTM IT via the SmartConnect Ethernet Port or embedded network port

Extended Runtime options

Up to 5 external battery packs supported

Smart-UPS Ultra 5kW features

The smallest and lightest Lithium-ion 5kW UPS

30% smaller, 50% lighter, 1.5x more power

Next-gen semiconductor technology gives this UPS 1.5x more power in a 2U footprint.

High resolution LCD

Auto-rotating display with virtual touch keys

LED status indicator

At-a-glance indication of UPS Status

3x the battery life

The Lithium-ion battery lasts 8-10 years (3x VRLA) and won't need to be replaced under normal operating conditions, reducing Total Cost of Ownership

EcoStruxure Ready

Connect to EcoStruxure™ IT via the embedded network port

Extended Runtime options

Up to 5 external battery packs

Smart-UPS management solutions

Enable wireless communication

Save network ports by using WiFi Device

The APC USB Wi-Fi Device (AP9834) is a wireless communication accessory for network-based UPS management that replaces traditional wired network cabling allowing for:

- Faster installation
- Operational efficiency
- Reduced downstream costs
- Removal of cable clutter
- More deployment flexibility

Compatible with Smart-UPS Ultra NC models, Smart-UPS with Network Management Card 3 (AP9641, AP9643), pre-installed or embedded.

PowerChute Business Edition

Built-in manageability for your UPS

Graceful system shutdown of connected equipment during an extended power outage or computer problem.

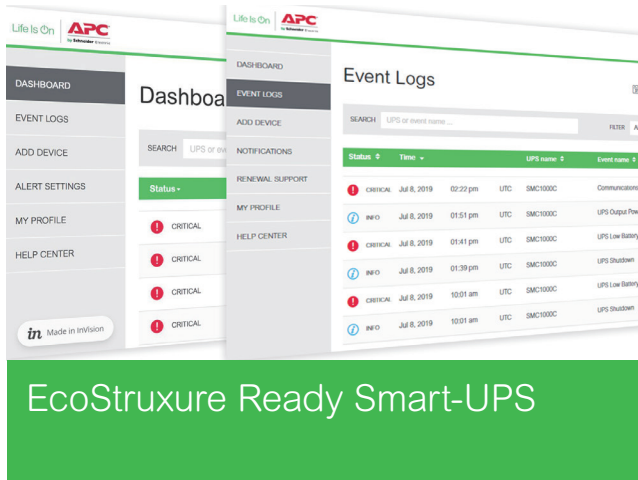

PowerChute Network Shutdown*

Provides graceful network-based shutdown of physical and virtual IT architectures

Network-based, graceful, unattended shutdown and restart of your physical servers and virtual machines during prolonged power disturbances.

EcoStruxure Ready Smart-UPS

Secure monitoring and UPS fleet management.

Smart-UPS Web Portal for remote monitoring

Provides visibility directly to the customer to help make proactive decisions and maximize uptime via the SmartConnect Ethernet Port.

Ideal for small and medium businesses who prefer to self-manage.

The do-it-yourself advanced monitoring

We empower you to monitor and service customers on your own or provide EcoStruxure IT Expert to your customers who prefer a self-managed option.

Ideal for distributed IT sites and businesses with mixed IT environments.

We advise, you maintain

We provide monitoring services, and you handle the maintenance. This option appeals most to partners who want to use their own on-site service.

We monitor and service

We provide monitoring and maintenance services on your behalf. Ideal for IT solution providers who want to add service without additional cost to your business model.

Smart-UPS 2.2 & 3kW accessories

UPS management accessories

- AP9834: APC USB Wi-Fi Device compatible with NC models
- AP9810: dry contact I/O accessory
- AP9335T & AP9335TH: sensor

AP9834

Service bypass panels

- SBP3000RM: APC SERVICE BYPASS PDU, 120V 30AMP W/ (4) NEMA 5-20R AND (1) L5-30R
- SBP3000RM2U: APC Service Bypass Panel- 100-120V; 30A; BBM; L5-30P input; (2) 5-20R (6) 5-15R output

Power distribution units

- AP7900B: APC Rack PDU Switched, 1U, 15A, 120V, (8) NEMA 5-15R
- AP9562: APC Rack PDU, Basic, 1U, 15A, 120V, (10) NEMA 5-15R
- AP9567: APC Rack PDU, Basic, Zero U, 15A, 120V, (14) NEMA 5-15R

AP9562

External battery pack

- SRTL50RMBP1U-LI: 1U external battery pack

SRTL50RMBP1U-LI

Smart-UPS 5kW accessories

UPS management accessories

- AP9834: APC USB Wi-Fi Device
- AP9810: dry contact I/O accessory
- AP9335T & AP9335TH: sensor

AP9834

Battery packs:

- SRTL180RM2UBP: APC Smart-UPS Ultra On-Line Lithium ion XBP 180V 2U Rack/Tower

SRTL180RM2UBP

Rail kits:

- SRTRK2: APC Smart UPS SRT 19 inch rail kit
- SRTRK3: APC Smart-UPS SRT 2 post mounting rail kit

Backplate kit/ Replaceable PDU's:

- SRTL002: APC Smart-UPS Ultra On-Line 5KVA OUTPUT Hardwire KIT
- SRTL004: APC Smart-UPS Ultra On-Line 5KVA PDU 208V (4) L6-20
- SRTL005: APC Smart-UPS Ultra On-Line 5KVA PDU 208V (2)L6-30 (2)L6-20 Pigtail

Service bypass panels:

- SBP5000RMT2U: APC service bypass panel — 200/208/240 V; 30 A; BBM; L6 30P input; (2) L6 30R (2) L6 20R output
- SBP5000RMI2U: APC SERVICE BYPASS PANEL - 230V; 32A; BBM; IEC320 C20/HW INPUT; IEC-320 OUTPUT - (2) C19 (8) C13

Output step down transformers (coming soon)

- SRTL5KTF: APC Smart UPS Ultra SRTL 5kW tower isolation/step down transformer
- SRTL5KRMTF: APC Smart-UPS Ultra On-Line SRTL 5kVA RM step down transformer

Replacement battery cartridge (coming soon)

- SRYLBM: APC Smart-UPS Modular Ultra On-Line Lithium-ion Battery Module

Others

- SRTL006: APC Smart-UPS Ultra On-Line 15ft Extension Cable for SRTL 5K 180V XBP
- SRTL007: APC Smart-UPS Ultra On-Line L6-20 to L6-20 200mm adapter cable for SRTL 5K
- SRTL008: APC Smart-UPS Ultra On-Line L6-30 to L6-30 200mm adapter cable for SRTL 5K
