

ET80/ET85 Battery Cover Installation Guide

CAUTION: Be aware of the orientation of the battery cover. Failure to replace the battery cover properly may cause damage.

1. Align the tabs on the underside of the cover with the slot around the battery well.
2. Ensure that the chamfer on the battery cover is at the bottom left corner of the device.

3. Carefully press down around the edges of the cover. Make sure that the cover is seated properly.
