To Whom It May Concern,

This communication is to confirm that we have read and are familiar with the information, instructions, and materials concerning California Proposition 65 and the Washington State Children's Safe Product Act (CPSA). To the extent these regulations apply to FLAGSHIP CARPETS, it is our intention to comply with all reporting, warning and labeling requirements and to identify 'chemicals of high concern' (CHCC) in our products and/or raw material supply chain.

Attached you will find the most recent information we have relevant to the August 30, 2018 changes in compliance regulations for Prop 65.

Efforts like Proposition 65 and CPSA are incredibly important to our company and raising our customers' awareness is paramount. We thank you for your business and assure you that we will continue our commitment to safe, high quality educational carpets. As always, if you have questions or concerns, please feel free to contact us directly at 1-800-848-4055 or email info@flagshipcarpets.com.
