FARGO® DTC4500e Photo ID System

Create high volumes of secure ID cards with one powerful system

The HID FARGO DTC4500e Photo ID System is the ideal choice for organizations that require robust, high-volume card printing every day — from loyalty cards to more sophisticated access cards with embedded electronics. The system includes a single-sided FARGO DTC4500e printer/encoder with a SmartScreen graphical display that provides easy-to-follow prompts, USB and Ethernet connectivity, dual-input card hoppers, Asure ID® Express photo ID software with two-year protect plan coverage, a high-end USB digital web camera, supplies and a three-year* warranty.

AN UNRIVALED SYSTEM FOR DESIGNING, ENCODING AND PRINTING SECURE ID CARDS

The versatile DTC4500e Photo ID System includes everything you need to create a variety of secure ID cards, such as employee ID badges, student IDs and customer loyalty cards.

HIGHLY VERSATILE, HASSLE-FREE CARD PRINTING STRAIGHT OUT OF THE BOX

Right away, you'll be ready to both design and manage the production of secure ID cards using the inclusive, powerful — yet easy-to-use — photo ID software, Asure ID Express.

The FARGO DTC4500e system is also as versatile as it is capable. With its modular design, the system can be expanded to accommodate changing needs over time. This versatility enables you to:

- Add technology to your cards at any time to accommodate a variety of applications with optional modules for contact and contactless encoding
- Add a dual-sided printing module to print additional information on the back of your cards such as a barcode or digital signature
- Add a card lamination module for applying overlaminates to produce highly secure cards that resist forgery and significantly increase card durability

HID FARGO system experts have pre-configured best-in-class hardware and software components to ensure seamless operation. With the FARGO DTC4500e Photo ID System, even novice users can begin producing great-looking ID cards right out of the box from day one.

SYSTEM INCLUDES:

- FARGO® DTC4500e printer/encoder
- Asure ID Express card design and production software with two-year protect plan coverage
- High-end USB digital web camera
- Full-color ribbon
- 300 UltraCard® PVC cards
- USB cable

HID

Make great-looking ID cards right out of the box with the FARGO® DTC4500e Photo ID System

1   FARGO DTC4500E PRINTER/ENCODER: Single-sided, edge-to-edge card printing. Full-color, continuous-tone printing at 300 dpi (11.8 dots/mm). Its intuitive SmartScreen graphical display provides easy-to-follow prompts to ensure you'll always know the status of the printer. The DTC4500e can be field-upgraded to dual-sided printing and smart card, proximity and magnetic stripe encoding.

2   ASURE ID EXPRESS ID CARD DESIGN AND PRODUCTION SOFTWARE: Powerful yet easy-to-use photo ID card software with advanced card design and batch printing capabilities. The DTC4500e system also comes with FARGO Workbench, a software toolkit for printer set-up, diagnostics and firmware upgrades (computer display not included).

3   HIGH-END USB DIGITAL WEB CAMERA: This camera makes capturing cardholder photos quick and easy.

4   FULL-COLOR RIBBON: Print 500 card images (YMCKO with integrated cleaning roller).

5   300 ULTRACARD PVC CARDS: Design and produce ID cards right away.

6   USB 2.0 CABLE: Connect the DTC4500e printer/encoder to your computer.

The FARGO DTC4500e Photo ID System also includes:

- Three-year* printer warranty
- One-year free loaner printer (U.S. only)
- Two-year free Asure ID software technical support
- FARGO Workbench diagnostic utility to facilitate printer maintenance and Color Assist tool to match spot colors, ensuring accurate prints of graphics, such as company logos.

*Three-year warranty available with completion of online printer registration. (Two-year warranty standard without online printer registration.)
