

# HP ZBook Power 15.6 inch G10 A Mobile Workstation PC Wolf Pro Security Edition (8L5D9UT)

## Overview

**Pro-grade performance within reach.**

Upgrade to professional ZBook performance and security at an unbelievably affordable price. Power up your productivity on this durable yet premium device—delivering enhanced collaboration features and pro-grade components to run pro software apps for CAD, 3D conceiving, modeling, rendering and more.

### Power through professional workflows

Blaze through 3D workloads with an integrated or discrete GPU, AMD® CPU, and large memory configurations.[2]

### Connect. Communicate. Collaborate

Work and collaborate effectively on the go with long lasting battery, AI Noise Suppression software[7] to block distracting background noises, and a device that's powerful enough to run professional software applications.

### Durable all-aluminum chassis

Designed to pass rigorous military standard testing[5] this PC is built to last with a distinctly premium touch.

### Certified, secured and supported

Get a pro-level PC that's certified to work with pro apps and comes with HP Wolf Security for Business.[10]

# Features

## Windows 11

Work anywhere without compromising on performance or security with Windows 11 powered by HP's collaboration and connectivity technology.

## AMD® Ryzen™ processor

Bring your ideas to life quickly and effectively with the latest AMD® Ryzen™ processors.

## HP Z Turbo Drive High-speed Storage

Work without limits in any location with local PCIe storage that's up to 6x faster than SATA SSD, and up to 21x faster than traditional HDD storage.<sup>[1]</sup>

## Spill-resistant Keyboard

Accidents happen - which is why we designed our keyboard with a drain hole, so minor spills flow out the bottom for easy cleanup.

## Industry-leading security features

Advanced security features come standard. System safeguards like HP Sure Start – the industry's first self-healing BIOS – mean your device is locked down tight, so your data and identity are too.

---

*[2] Optional feature that must be configured at purchase.*

*[5] Testing is not intended to demonstrate fitness of U.S. Department of Defense (DoD) contract requirements or for military use. Test results are not a guarantee of future performance under these test conditions. Accidental damage requires an optional HP Accidental Damage Protection Care Pack.*

*[7] AI Noise Suppression is delivered automatically through Windows update or can be downloaded from <https://support.hp.com/us-en/drivers>. Requires Windows 10 or higher, compatible with internal PC speakers, microphone and analog headsets. The AI Noise Suppression setting can be configured through the Application HP Audio Control.*

*[10] HP Wolf Security for Business requires Windows 10 or higher, includes various HP security features and is available on HP Pro, Elite, RPOS and Workstation products. See product details for included security features and OS requirement.*

*[1] For hard drives, GB = 1 billion bytes. TB = 1 trillion bytes. Actual formatted capacity is less. Up to 30GB (for Windows 10) of system disk is reserved for system recovery software.*

## Specifications

|                                |                                                                                                                                                                                                 |
|--------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Operating system               | Windows 11 Pro <sup>[1,2]</sup>                                                                                                                                                                 |
| Processor family               | AMD Ryzen™ 9 PRO processor                                                                                                                                                                      |
| Processor                      | AMD Ryzen™ 9 PRO 7940HS (up to 5.2 GHz max boost clock, 16 MB L3 cache, 8 cores, 16 threads)                                                                                                    |
| Memory                         | 16 GB DDR5-5600 MHz RAM (1 x 16 GB)                                                                                                                                                             |
| Memory Slots                   | 2 SODIMM; supports dual channel                                                                                                                                                                 |
| Internal Storage               | 512 GB PCIe® NVMe™ TLC SED SSD                                                                                                                                                                  |
| Graphics                       | Integrated                                                                                                                                                                                      |
| Graphics (integrated)          | AMD Radeon™ Graphics                                                                                                                                                                            |
| Display                        | 39.6 cm (15.6") diagonal, FHD (1920 x 1080), anti-glare, 250 nits, 45% NTSC                                                                                                                     |
| Display                        | 15.6" diagonal, FHD (1920 x 1080), anti-glare, 250 nits, 45% NTSC <sup>[21,23,24]</sup>                                                                                                         |
| Display size (diagonal)        | 39.6 cm (15.6")                                                                                                                                                                                 |
| Display size (diagonal)        | 15.6"                                                                                                                                                                                           |
| Audio                          | HP Audio, dual stereo speakers, dual array digital microphones, functions keys for volume up and down, combo microphone/headphone jack, HD audio                                                |
| Minimum dimensions (W x D x H) | 35.94 x 23.39 x 2.29 cm                                                                                                                                                                         |
| Minimum dimensions (W x D x H) | 14.15 x 9.21 x 0.9 in                                                                                                                                                                           |
| Weight                         | Starting at 2.01 kg<br>(Weight varies by configuration and components.)                                                                                                                         |
| Weight                         | Starting at 4.43 lb<br>(Weight varies by configuration and components.)                                                                                                                         |
| Keyboard                       | HP Premium Keyboard – spill-resistant, full-size, backlit keyboard with numeric keypad                                                                                                          |
| Pointing device                | Clickpad with multi-touch gesture support, taps enabled as default                                                                                                                              |
| Camera                         | 5MP IR Camera                                                                                                                                                                                   |
| Ports                          | 1 RJ-45; 1 SuperSpeed USB Type-A 5Gbps signaling rate; 1 HDMI 2.1; 1 nano security lock slot                                                                                                    |
| Ports                          | 1 Thunderbolt™ 4 with USB Type-C® 40Gbps signaling rate (USB Power Delivery, DisplayPort™ 1.4); 2 USB Type-A 5Gbps signaling rate (1 charging); 1 headphone/microphone combo; 1 power connector |
| Package dimensions (W x D x H) | 552 x 69 x 345 mm                                                                                                                                                                               |
| Wireless                       | MediaTek Wi-Fi 6E RZ616 (2x2) and Bluetooth® 5.3 wireless card                                                                                                                                  |
| Power                          | 150 W external AC power adapter <sup>[20]</sup>                                                                                                                                                 |
| Battery type                   | HP Long Life 6-cell, 83 Wh Li-ion polymer                                                                                                                                                       |

|                                          |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |

[1] Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows is automatically updated and enabled. High speed internet and Microsoft account required. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.windows.com>.

[2] Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. AMD's numbering is not a measurement of clock speed.

[19] HP Sure Click requires Windows 10. See [https://bit.ly/2PrLT6A\\_SureClick](https://bit.ly/2PrLT6A_SureClick) for complete details.

[20] 150 W power adapter is only available with discrete graphic options.

[21] QHD content required to view QHD images.

[22] HP BIOSphere Gen6 requires Windows 10 and is available on select HP Pro and Elite PCs. Features may vary depending on the platform and configurations.

[23] Resolutions are dependent upon monitor capability, and resolution and color depth settings.

[24] Actual brightness will be lower with HP Sure View or touch-screen.

[28] Miracast is a wireless technology your PC can use to project your screen to TVs, projectors, and streaming media players that also support Miracast. You can use Miracast to share what you're doing on your PC and present a slide show. For more information: <http://windows.microsoft.com/en-us/windows-8/project-wireless-screen-miracast> .

[29] HP Performance Advisor is ready and waiting to help you get the most out of your HP Workstation from day one—and every day after. Learn more or download at: <https://www8.hp.com/us/en/workstations/performance-advisor.html> .

[30] HP Manageability Integration Kit can be downloaded from <http://www8.hp.com/us/en/ads/clientmanagement/overview.html> .

[31] Absolute Persistence Module: Absolute agent is shipped turned off, and will be activated when customers activate a purchased subscription. Subscriptions can be purchased for terms ranging multiple years. Service is limited, check with Absolute for availability outside the U.S. The Absolute Recovery Guarantee is a limited warranty. Certain conditions apply. For full details visit: <http://www.absolute.com/company/legal/agreements/computrace-agreement> . Data Delete is an optional service provided by Absolute Software. If utilized, the Recovery Guarantee is null and void. In order to use the Data Delete service, customers must first sign a Pre-Authorization Agreement and either obtain a PIN or purchase one or more RSA SecurID tokens from Absolute Software.

[33] Select HP Products are enhanced with HP Presence. Features vary by platform. HP conferencing features require Windows and the latest myHP app, available over the air or for download via sofaq on the HP Support website. Planned availability in spring 2023.

[34] Security lock for security slot is sold separately.

[35] HP Support Assistant Internet access required.

[36] HP Connection Optimizer requires Windows 10.

[38] HP Sure Start Gen6 is available on select HP PCs and requires Windows 10.

[43] HP Services Scan is provided with Windows Update on select products and will check entitlement on each hardware device to determine if an HP TechPulse-enabled service has been purchased, and will download applicable software automatically. HP TechPulse is a telemetry and analytics platform that provides critical data around devices and applications. For full system requirements or to disable this feature, please visit <http://www.hpdaas.com/requirements> . Not applicable in China.

[47] Secure Erase - For the methods outlined in the National Institute of Standards and Technology Special Publication 800-88 "Clear" sanitation method. HP Secure Erase does not support platforms with Intel® Optane™.

[49] HP Sure Recover Gen3 is available on select HP PCs and requires an open network connection. You must back up important files, data, photos, videos, etc. before using HP Sure Recover to avoid loss of data. Network based recovery using Wi-Fi is only available on PC's with Intel Wi-Fi Module.

[53] Requires an Intel® vPro® , AMD Ryzen™ Pro processor or Qualcomm® processor with SD850 or higher and requires 8 GB or more system memory. Secured Core PC functionality can be enabled from the factory.
