

Azure

A fresh take on a glass cleaner

About this product

A surface cleaner that delivers exceptional performance, while being also an ideal choice for glass surfaces. Leaves a streak-free finish on glass, mirrors, ceramic, chrome and much more. Removes dirt, pet slobber, fingerprints, smudges, smoke haze, and grime from any surfaces. Its mild formula can also act as a dust collector when sprayed lightly on microfiber cloth and an excellent stainless steel cleaner. It contains no VOC, APE, and ammonia. Azure's concentrated formula can be diluted to suit various cleaning tasks, making it economical and versatile cleaning product.

- New improved formula offers a superior performance curve
- Works fast – less wiping
- Streak-free shine
- No rinsing required
- Leaves no residues
- Versatile – dilute in spray bottle or buckets
- Ammonia-free
- Biodegradable
- Reduced environmental impact
- ECOLOGO Certified (UL 2759)
- Non-toxic

Dilution rates:

Normal Cleaning	1:40
ECOLOGO (UL 2759)	1:16
Heavy Cleaning	1:16

More than just a glass cleaner

Azure has been around for many years and its use has been associated with glass and windows since the beginning. With its latest improvements, Azure has been found to be an excellent multi-surface cleaner. Its gentle formula offers a wide array of cleaning possibilities such as chrome, stainless steel, whiteboards, and any hard surface.
