Five reasons to choose Poly Edge E Series IP phones

Why Poly Edge E business phones should be your first choice for desktop phones

Designed forthe new workplace, Poly Edge E Series phones deliver a superior user experience with their combination of stylish design, exceptional audio quality, and innovative connectivity options. Ideal for businesses of all sizes, Poly Edge E phones are always-on, secure, reliable, and stable.

Five reasons to choose

1 Trusted brand

Poly is a trusted global brand known for secure and reliable business phones, providing peace of mind now and into the future.

2 Crystal-clear conversations

Poly Edge E provides amazing audio, with HD Voice quality and background noise reduction using Poly NoiseBlockAI and Acoustic Fence.

3 User experience perfected

Designed to be easy-to-use, with a modern user interface, dedicated pagination key, halo LED status light, accessibility features, and quick access to user help videos and support resources.

4 Flexibility drives productivity

Bluetooth®, and Wi-Fi are available on select models so users can easily connect to wireless networks, Bluetooth® headsets, or pair their mobile phone for seamless calling and mobile contact sync. USB and NFC are available on all models for corded headset connection and NFC pairing capabilities.

5 Greener

All Poly Edge E models have ENERGY STAR® certification.
