

## Screen Material

- MaxWhite® B 1.0 Gain matte white front projection material
- Black backing eliminates light penetration for enhanced brightness
- Wide 180° viewing angle diffusion uniformity maintains projector light all across the surface
- Standard left and right black masking borders enhances perceived contrast
- Not compatible with Ultra/Short-throw Projectors
- Available in diagonal sizes 50\", 71\", 85\", 113\" and 136\" in 1:1 format

## Design and Operation

- Adjustment lock secures telescopic vertical support positions
- Latch locking system allows multiple height adjustment for various aspect ratio settings
- Keystone eliminator
- Integrated handle allows screen to be easily carried
- Heavy-duty metal casing withstands rough handling while in transit
- Optional canvas bag available for added protection during transit

## Quality and Reliability

- 2-year Parts & Labor manufacturer's warranty
- 3-year warranty offered through ENR-G program (Education, Non-Profit, Religious and Government)
- GREENGUARD® and GREENGUARD® Gold Certified | UL 2818
