# RAM® Form-Fit Holder for Zebra ET6x

**Part #:** RAM-HOL-ZE25U **UPC:** 793442017353 **Patent Pending**

## FEATURES

- Form-fit dock designed specifically for the Zebra ET60 & ET65 tablets with or without Zebra keyboard
- Unique 2-in-1 latch secures the ET60/ET65 while allowing attachable Zebra keyboard to open and close freely
- Add-on accessory compatible including RAM® Vent-Temp™, RAM® Temp-Right™, RAM® NFC Extender, as well as two small device mounting areas on both the left and right side of the dock
- Cut out on the side of the dock gives access to the Zebra CAC reader with the ability to open and close the CAC reader door
- Backed by a lifetime warranty

| PRODUCT INFORMATION | |
|---|---|
| **OVERVIEW** | This RAM® Dock (RAM-HOL-ZE25U) features a non-powered form-fit design, specifically for the Zebra ET60 & ET65 tablets. Made for versatility out in the field, this dock supports the device with or without the attachable Zebra keyboard and features a unique 2-in-1 latch that both secures the tablet, and allows the keyboard to open and close independently. Additionally this dock is accessory-ready, compatible with the RAM® Vent-Temp™, RAM® Temp-Right™, RAM® NFC Extender, as well as two small device mounting areas on both the left and right side of the dock. The cut out on the left side of the dock allows for easy access to the Zebra CAC reader with the ability to open and close the CAC reader door. The ET6x is compatible with the Zebra hand strap and shoulder strap while docked in the RAM® dock. Finish the solution by building your mount. These docks are RAM® Compatible™ equipped with 75mm VESA, or 4-hole AMPS patterns for adding a ball adapter. Take advantage of thousands of RAM® mounting components to configure the perfect ET60/ET65 solution. These thoughtfully designed features enable mobile workforces widely spread across industries including field/utility service, public safety, construction, and more. |
