

## Galaxy PX

**To whom it may concern.** This is to certify that the Galaxy PX UPS systems are manufactured in the following country(ies):

### UPSs

| Commercial reference | Description  | Country of origin | Manufacturing facility                 |
|----------------------|--|-------------------|--|
| GPXUPS100K250QBH     | Galaxy PX UPS 100 kW scalable to 250 kW 400 V, 1 switch, for external batteries                  | China             | Sichuan AI-Chance Technology Co., Ltd. |
| GPXUPS100K250PBH     | Galaxy PX UPS 100 kW scalable to 250 kW 400 V, 4 switches, for external batteries                |                   |  |
| GPXUPS100K250QBHS    | Galaxy PX UPS 100 kW scalable to 250 kW 400 V, 1 switch, for external batteries, start-up 5x8    |                   |  |
| GPXUPS100K250PBHS    | Galaxy PX UPS 100 kW scalable to 250 kW 400 V, 4 switches, for external batteries , Start-up 5x8 |                   |  |

### Power Module

| Commercial reference | Description                        | Country of origin | Manufacturing facility                 |
|----------------------|------------------------------------|-------------------|--|
| GPXPM50KH            | Galaxy PX power module 50 kW 400 V | China             | Sichuan AI-Chance Technology Co., Ltd. |

### Bottom Entry Cabinet

| Commercial reference | Description          | Country of origin | Manufacturing facility                                       |
|----------------------|----------------------|-------------------|--|
| SP3BBEC              | Bottom entry cabinet | China             | Schneider Electric Information Technology (Xiamen) Co., Ltd. |

### Options

| Commercial reference | Description   | Country of origin | Manufacturing facility                            |
|----------------------|---|-------------------|---|
| SP3OPT002            | 850 to 1100 mm depth adapter                            | China             | Sichuan AI-Chance Technology Co., Ltd.            |
| SP3OPT003            | 850 to 1200 mm depth adapter                            |                   |   |
| SP3OPT004            | Neutral disconnection kit for UPS                       |                   |   |
| SP3OPT006            | Battery temperature sensor                              |                   |   |
| GVSOPT006            | Parallel communication kit                              | India             | American Power Conversion Private Ltd - Bangalore |
| AP9640               | Network management card 3                               |                   |   |
| AP9641               | Network management card 3 with environmental monitoring |                   |   |
