Overview

This document covers Poly Studio E60 (PBJ-E60-001).

Safety Instructions

To reduce the risk of fire, electric shock, injury to persons and damage to property, read all operating instructions and the following safety instructions before using your Poly product.

Warnings

- This equipment is intended for indoor use only.
- Do not spray liquids directly onto the system when cleaning. Always apply the liquid first to a static free cloth.
- Do not immerse the system in any liquids or place any liquids on it.
- This equipment will not operate when power fails.
- Do not disassemble this system. To reduce the risk of shock and to maintain the warranty on the system, a qualified technician must perform service or repair work.
- There are no user serviceable parts inside this product.
- This equipment is not intended to be operated by children.
- Users must not service any parts in compartments that require a tool to access.
- This equipment should be used only on even surfaces.
- Keep ventilation openings free from any obstructions.
- The ambient operating temperature rating of this equipment is 0-40°C and should not be exceeded.
- This equipment is not intended to be directly connected to outdoor cables.
- The marking information is located at the bottom of the equipment.
- Power Input Rating:
 - 12Vdc / 1.2A from optional supplied PSU
 - 37-56Vdc / 0.35A(Max) from PoE power source

Additional Warnings for Products with an Optional Power Supply

- Always disconnect the system from power and telecommunications networks before cleaning or servicing.
- In order to remove all power from this unit, remove all power cords.
- This product can be powered by an optional external Limited Power Source (LPS) power supply.
- This product must only be used with an external power supply of the type and specification specified.

- Replacement external power supplies can be obtained from the supplier of your Poly equipment.
- This system is considered to be Pluggable Equipment Type A.
- When connecting to the mains supply, connect only to an earthed supply outlet that is installed near the equipment and is easily accessible.
- Only use the power cables that are supplied with this product, these are correctly rated for this product.
- Do not use a power cord that is damaged. This could cause fire or electric shock. Contact the manufacturer for a replacement cord, if necessary.
- Only use a power cord that is appropriately rated and approved relevant to the country of use.
- Installation of the equipment should be carried out by suitably trained persons and must comply with the appropriate local and national electrical codes.

Additional Warning for Products with Power over Ethernet (PoE) Functionality

- If the product is powered using Power over Ethernet, you must use an appropriately rated and approved networking device, or the power injector identified for use with this product.
- Equipment designed to be connected to a Power Over Ethernet (PoE) source must only be connected to a IEEE 802.3 compliant PoE power source.

Additional Warning for Products that Can Be Wall Mounted

- Ensure that the wall is able to support the weight of the product. Use appropriate mounting and anchoring hardware for the wall type. Failure to provide adequate structural strength can result in damage to the equipment, voiding the warranty, and causing possible serious personal injury. The installer is responsible for conforming to all applicable building codes and requirements of local, state, and federal jurisdiction.

USA

Class A Digital Device

This equipment has been tested and found to comply with the limits for a Class A digital device, pursuant to Part 15 of the FCC rules. These limits are designed to provide reasonable protection against harmful interference when the equipment is operated in a commercial environment. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. Operation of this equipment in a residential area is likely to cause harmful interference in which case the user will be required to correct the interference at his own expense.

Responsible Party issuing FCC Supplier's Declaration of Conformity:

HP Inc.
1501 Page Mill Road,
Palo Alto 94304
USA

650-857-1501

typeapproval@hp.com

Caution: Pursuant to 47CFR§15.21 of the FCC Rules, any changes or modifications to this equipment not expressly approved by HP Inc. may cause harmful interference and void the FCC authorization to operate this equipment."

Canada

This Class [A] digital apparatus complies with Canadian ICES-003.

Cet appareil numérique de la classe [A] est conforme à la norme NMB-003 du Canada.

CE Mark

Poly Studio E60 is marked with the CE mark. This mark indicates compliance with LVD and EMC Directives 2014/35/EC and 2014/30/EC. A full copy of the Declaration of Conformity can be obtained from HP REG 23010, 08028 Barcelona, Spain.

Australia/New Zealand

Class A Warning

Warning: This is a class A product. In a domestic environment this product may cause radio interference in which case the user may be required to take adequate measures.

China

用户须知

欢迎使用惠普 PBJ-E60-001 了您及产品的安全，请您务必注意如下事项：

1. 产品要和地线相接，要使用有正确接地插头的电源线，使用中国国家规定的 220V 电源。
2. 避免高温和多尘土的地方，否则易引起产品零部件的损坏。
3. 避免接近高温，避免接近直接热源，如太阳光直射，暖气等其他发热体。
4. 不要有异物或液体落入机内，以避免零部件短路。

5. 不要將磁體放置於產品附近。

警告

為防止火災或觸電事故，請不要將該產品淋雨或者放置於潮濕處。

India

India RoHS

This product, as well as its related consumables and spares, complies with the reduction in hazardous substances provisions of the “India E-waste (Management and Handling) Rule 2022”. It does not contain lead, mercury, hexavalent chromium, polybrominated biphenyls or polybrominated diphenyl ethers in concentrations exceeding 0.1 weight % and 0.01 weight % for cadmium, except for where allowed pursuant to the exemptions set in Schedule 2 of the Rule.

Taiwan

Class A Statement

警告使用者：

此為甲類資訊技術設備，於居住環境中使用時，可能會造成射頻擾動，在此種情況下，使用者會被要求採取某些適當的對策。

安全警語:

1. “不得打開產品外殼，以免造成安全問題” 或 “不要對本設備進行機械或電氣修改，以免造成安全問題”
2. 請勿任意拆裝設備。任何未經授權或認證人員之設備拆裝可能造成嚴重的安全問題。任何問題，請洽您的銷售人員或經銷商尋求協助。
3. 除非安裝手冊或使用手冊中提及，否則請勿嘗試維修您的設備。永遠遵守安裝手冊及使用手冊的說明。
