Quick Reference

HP is committed to reducing the environmental impact of our products. As part of our continuing efforts, HP is moving more content to the web and to your hard drive. This card directs you to appropriate resources. Thank you for purchasing an HP computer!

Locating resources

Where do I find?	See one or more of the following:
QuickSpecs	Go to **https://www.hp.com/go/quickspecs** to view the QuickSpecs for your computer model.
Replacement videos and other resources	Go to **https://www.youtube.com/hpsupport** where you can access removal and replacement videos and other resources.
Documentation	Go to **https://www.hp.com/support**, and follow the instructions to find your product and view a list of available documentation. To access the user guides: Windows® products: Select the **Search** icon (select products only) in the taskbar, type `HP Documentation` in the search box, and then select **HP Documentation**. Linux® products: Double-click the **HP Documents** icon.
Diagnostics, troubleshooting, software, and drivers	Go to **https://www.hp.com/support**, and follow the instructions to find your product. You can find the following types of assistance: • Troubleshooting a problem (self-help documents) • Diagnosing a problem • Customer Advisories or Customer Notices • Available software and drivers
US support	For U.S. support, go to **https://www.hp.com/support**, and follow the instructions to find your product. Here you can access the following types of support: • Online chat with an HP technician • Support telephone numbers • Replace parts video (select products only) • Maintenance and service guides • HP service center locations
Warranty information	You can find your HP Limited Warranty located with the user guides on your product and/or on the CD or DVD provided in the box. In some countries or regions, HP may provide a printed warranty in the box. For countries or regions where the warranty is not provided in printed format, you can request a copy from **https://www.hp.com/go/orderdocuments**. For products purchased in Asia Pacific, you can write to HP at POD, PO Box 161, Kitchener Road Post Office, Singapore 912006. Include your product name, and your name, phone number, and postal address.

End User License Agreement

By installing, copying, downloading, or otherwise using any software product preinstalled on this computer, you agree to be bound by the terms of the HP End User License Agreement (EULA). If you do not accept these license terms, your sole remedy is to return the entire unused product (hardware and software) within 14 days for a full refund subject to the refund policy of your seller. For any further information or to request a full refund of the price of the computer, please contact your seller.

Warnings

WARNING! To reduce the risk of electric shock:
- Plug the power cord into an AC outlet that is easily accessible at all times.
- If the power cord has a 3-pin attachment plug, plug the cord into a grounded (earthed) 3-pin outlet.

For more safety, regulatory, labeling, battery disposal information, and Restriction of Hazardous Substances (RoHS), see the *Regulatory, Safety, and Environmental Notices* provided with your user guides. To locate the user guides for your computer, see the "Locating resources" section of this poster.

WARNING! To reduce the risk of serious injury, read the *Safety & Comfort Guide* provided with your user guides. It describes proper workstation setup, and proper posture, health, and work habits for computer users. The *Safety & Comfort Guide* also provides important electrical and mechanical safety information. The *Safety & Comfort Guide* is also available on the web at **https://www.hp.com/ergo**.

WARNING! To reduce the possibility of heat-related injuries or of overheating the computer, do not place the computer directly on your lap or obstruct the computer air vents. Use the computer only on a hard, flat surface. Do not allow another hard surface, such as an adjoining optional printer, or a soft surface, such as pillows or rugs or clothing, to block airflow. Also, do not allow the AC adapter to come into contact with the skin or a soft surface, such as pillows or rugs or clothing, during operation. The computer and the AC adapter comply with the user-accessible surface temperature limits defined by applicable safety standards.

WARNING! If a product is shipped in packaging marked with this symbol, , the product must always be lifted by two persons to avoid personal injury due to product weight.

Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows is automatically updated, which is always enabled. High-speed internet and Microsoft account required. ISP fees may apply and additional requirements may apply over time for updates. See http://www.windows.com. **If your product ships with Windows in S Mode:** Windows in S Mode works exclusively with apps from the Microsoft Store within Windows. Certain default settings, features, and apps cannot be changed. Some accessories and apps that are compatible with Windows may not work (including some antivirus, PDF writers, driver utilities, and accessibility apps), and performance may vary, even if you switch out of S Mode. If you switch to Windows, you cannot switch back to S Mode. Learn more at Windows.com/SmodeFAQ.
