## Resolution

Intel has released updates to mitigate the potential vulnerabilities. HP has identified affected platforms and corresponding SoftPaqs with minimum versions that mitigate the potential vulnerabilities. See the affected platforms listed below.

Newer versions might become available, and the minimum versions listed below might become obsolete. If a SoftPaq Link becomes invalid, check the [HP Customer Support - Software and Driver Downloads](#) site to obtain the latest update for your product model.

HP recommends keeping your system up to date with the latest firmware and software.

**NOTE:** This bulletin might be updated when new information and/or Softpaqs are available.

# SoftPaqs and affected products

Find the SoftPaq that resolves the vulnerabilities of your system.

## SoftPaq Status

A status is provided if no SoftPaq is listed for a particular product.

- **Pending:** SoftPaq is in progress.
- **Under investigation:** System under investigation for impact, or the SoftPaq is under investigation for feasibility/availability.
- **Not available:** Softpaq not available due to technical or logical constraints.
- **Check Support Page:** The listed SoftPaq has been removed from the download site. SoftPaqs with newer versions might be available on the [HP Customer Support - Software and Driver Downloads](#) site.

## Business Notebook PCs

Identify the affected business notebook PCs.

**Table 2 Business Notebook PCs**

| Product Name                                       | Component Type            | Minimum Version | Last Update | SoftPaq # | SoftPaq Link                                                                                                                          |

## Revision history

This document has been revised according to the information below.

**Table 9 List of versions**

| Version | Description     | Date         |
|---------|-----------------|--------------|
| 1       | Initial Release | May 13, 2025 |

## Additional information

Follow these links for additional information.

### Third-party security patches

Third party security patches that are to be installed on systems running HP software products should be applied in accordance with the customer's patch management policy.

### Support

For issues about implementing the recommendations of this Security Bulletin, visit <http://www.hp.com/go/contacthp> to learn about your HP support options.

### Report

To report a potential security vulnerability with any HP supported product, send email to: [hp-security-alert@hp.com](mailto:hp-security-alert@hp.com).

### Security bulletin archive

To view released Security Bulletins, visit <https://support.hp.com/security-bulletins>.

It is strongly recommended that security related information being communicated to HP be encrypted using PGP, especially exploit information.

## Legal information

System management and security procedures must be reviewed frequently to maintain system integrity. HP is continually reviewing and enhancing the security features of software products to provide customers with current secure solutions.

HP is broadly distributing this Security Bulletin in order to bring to the attention of users of the affected HP products the important security information contained in this Security Bulletin. HP recommends that all users determine the applicability of this information to their individual situations and take appropriate action. HP does not warrant that this information is necessarily accurate or complete for all user situations and, consequently, HP will not be responsible for any damages resulting from user's use or disregard of the information provided in this Security Bulletin. To the extent permitted by law, HP disclaims all warranties, either express or implied, including the warranties of merchantability and fitness for a particular purpose, title and non-infringement.
