

Poly Studio P5 Webcam and Poly Studio P15 Personal Video Bar

This document covers the Poly Studio P5 webcam and the Poly Studio P15 personal video bar.

Service Agreements

Please contact your Poly Authorized Reseller for information about service agreements applicable to your product.

Safety Instructions

To reduce the risk of fire, electric shock, injury to persons and damage to property, read all operating instructions and the following safety instructions before using your Poly product.

Warnings

- This equipment is intended for indoor use only.
- Do not spray liquids directly onto the system when cleaning. Always apply the liquid first to a static-free cloth.
- Do not immerse the system in any liquids or place any liquids on it.
- Do not disassemble this system. To reduce the risk of shock and to maintain the warranty on the system, a qualified technician must perform service or repair work.
- There are no user serviceable parts inside this product.
- This equipment is not intended to be operated by children.
- Users must not service any parts in compartments that require a tool to access.
- This equipment should be used only on even surfaces.
- Keep ventilation openings free from any obstructions.
- The ambient operating temperature rating of this equipment is 0-40°C and should not be exceeded.

Additional Warnings for Products with a Power Supply

- Always disconnect the system from power and telecommunications networks before cleaning or servicing.
- In order to remove all power from this unit, remove all power cords.
- This product is intended to be powered by an external Limited Power Source (LPS) power supply. Use only the type which is supplied with this product.

- This system is considered to be Pluggable Equipment Type A. The socket outlets must be installed near the equipment and be easily accessible.
- Do not use a power cord that is damaged. This could cause fire or electric shock. Contact the manufacturer for a replacement cord, if necessary.
- Only use a power cord which is appropriately rated and approved relevant to the country of use.
- When connecting to the mains supply, connect only to an earthed supply outlet which is installed near the equipment and is easily accessible.

United States

Caution: Pursuant to 47CFR§15.21 of the FCC Rules, any changes or modifications to this equipment not expressly approved by HP Inc. may cause harmful interference and void the FCC authorization to operate this equipment."

Class B Digital Device

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC rules. These limits are designed to provide reasonable protection against harmful interference when the equipment is operated in a residential environment. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Responsible Party issuing FCC Supplier's Declaration of Conformity:

HP Inc.
1501 Page Mill Road,
Palo Alto 94304
USA

650-857-1501

Modifications - In accordance with part 15 of the FCC rules, the user is cautioned that any changes or modifications not expressly approved by Polycom, Inc. could void the user's authority to operate the equipment.

Canada

This Class [B] digital apparatus complies with Canadian ICES-003.

Cet appareil numérique de la classe [B] est conforme à la norme NMB-003 du Canada.

EEA

安全警語:

1. “不得打開產品外殼，以免造成安全問題” 或“不要對本設備進行機械或電氣修改，以免造成安全問題”
2. 請勿任意拆裝設備。任何未經授權或認證人員之設備拆裝可能造成嚴重的安全問題。任何問題，請洽您的銷售人員或經銷商尋求協助。
3. 除非安裝手冊或使用手冊中提及，否則請勿嘗試維修您的設備。永遠遵守安裝手冊及使用手冊的說明。

Restriction of Hazardous Substances Directive (RoHS)

Poly products are fully compliant with the requirements of the EU RoHS Directive 2011/65 EU.

For more information and details of the EU exemptions that are used for this product, please contact TypeApproval@poly.com.

EU WEEE – End of Life products

Poly encourages you to recycle your end-of-life Poly products in an environmentally considerate way. In accordance with the requirements of the European Waste Electronic and Electrical Equipment (WEEE) Directive, all Poly products are marked with the crossed wheelie bin symbol shown below. Products that carry this symbol should not be disposed of in the household or general waste stream. Detail of the options open to you and the guidance on the requirements for the recycling and environmentally considerate disposal of your end of life Poly products can be found at <http://www.poly.com/WEEE>.
