Series 100 - Paper Wipers

Cascades PRO

Tuff-Job®

All clean.
All good.

We Never Met a Mess We Didn't Wipe

Solution driven wipers with maximum durability, strength and performance. Tuff-Job® wipers deliver unsurpassed quality and guaranteed performance with the toughest of jobs in mind.

All-Purpose Paper wipers provide light-duty, single-use products for routine wiping tasks and cleanups. These wipers are ideal for spaces such as classrooms and scanner/checkout areas, and tasks such as janitorial and general maintenance applications.

- > Absorbent with superior surface wipe dry
- > Ideal for spray & wipe jobs
- > Cost effective, single-use towels
- > Pop-up box: easy, one sheet dispensing to eliminate over use and waste
- > Polybags: reclosable, twist-tie polybag allows wipers to remain protected while still being portable

We Never Met a Mess We Didn't Wipe

Solution driven wipers with maximum durability, strength and performance. Tuff-Job® wipers deliver unsurpassed quality and guaranteed performance with the toughest of jobs in mind.

All rights reserved – Cascades 2017

Scrim Reinforced wipers consist of multi-ply high wet strength paper for superior absorbency qualities. Engineered with a polyester scrim webbing within the plies of paper that adds extra strength and durability for medium duty clean-ups.

- > Superior wipe dry performance
- > Low Lint
- > Excellent for glass & smooth surface cleaning
- > Strong enough to stand up to grease & oil spills
- > Pop-up boxes: easy, one sheet dispensing to eliminate over use and waste
- > Polybags: reclosable, twist-tie polybag allows wipers to remain protected while still being portable

Tuff-Job®

**All clean.
All good.®**

We Never Met a Mess We Didn't Wipe

Solution driven wipers with maximum durability, strength and performance. Tuff-Job® wipers deliver unsurpassed quality and guaranteed performance with the toughest of jobs in mind.

Airlaid wipers have physical attributes of high absorbency, bulk, softness, and strength. Their superior strength and durability contribute to their economical cost per use.

- > Ideal for liquid, grease & oil cleanups
- > Versatile material that delivers a strong performance in many general purpose uses such as patient care washcloths, foodservice napkins along with industrial and automotive maintenance areas
- > Fast absorbing material when used with grease, oil and inks
- > Polybags: reclosable, twist-tie polybag allows wipers to remain protected while still being portable

Cascades PRO Tuff-Job® Foodservice Towels offer a tri-level system that covers light to heavy-duty wiping/cleaning applications with a range of 1-day to 1-month use towels for the front and back of the house.

- > Ideal replacements for linen rental or cloth dish towels
- > Fiber blends provide strength, durability, absorbency and reusability attributes required for all light to heavy-duty applications
- > Foodservice towels engineered to withstand harsh sanitizing and disinfecting solutions
- > Aperture design allows for better pickup and release of food particles
- > Antimicrobial towels (W920, W921, W922, W923) contain a protection within the towel to inhibit the growth of odor-causing bacteria for the life of the towel — towels stay clean & fresh longer
- > Towels rinse easily and dry quickly with low linting properties
- > Dispenser-style, compact packaging provides ease of use and maximizes storage space

- > A color-coding towel system is a key component for the avoidance of cross-contamination when designating a certain color towel to a specific task. The system is easy to visually monitor and maintain.
- > Consistent and effective cleaning is important in maintaining a healthy and safe environment within foodservice type establishments.
