THE SMARTER CHOICE

Top 5 global barcode printer manufacturer

5 million barcode printers installed worldwide

3 decades of delivering reliable & affordably printers

At TSC Auto ID Technology Co., Ltd.(TSC)we specialize in the research and development, manufacture and marketing of barcode printers. Our commitment to product quality is recognized by our loyal customer base and partner network around the world and has solidified our reputation as a world class printer manufacturer. Whether it is desktop, industrial, mobile barcode printers, or print engines and color printers, as well as its accessories and supplies, TSC products stand out for their user-friendly design, stable operation and unmatched durability. We are convinced that only excellent quality and dedicated service will earn lasting trust and praise from customers. Our dedication to our customers' satisfaction and success is what drives the growth of TSC.

- The best price-performance value in the marketplace.
- Industry-best two-year warranty on our thermal barcode printers, which is a testimony to the durable design and construction of our products.
- Top-of-the-line support for resellers and end-users from a can-do engineering and sales-support organization.
- TSC operates its own manufacturing facilities, which gives the flexibility to meet special engineering challenges that outsourced operations simply can't handle.
- Dedication to new product development provides resellers with a growing selection of innovative solutions designed to meet all their thermal label printing needs.
- Product customization & integration ensures smooth system installation.
- Every printer is given two 100% inspections to ensure perfect quality and reliability.

MANUFACTURING

Reduce human error, maximize production

From material tracking to production process management and inventory control, barcode management systems can accurately integrate all information effectively reducing costly human mistakes while raising production capacity and product quality.

WAREHOUSE & LOGISTICS

Improve logistics control procedures, enhance operational performance

From item marking and pallet labeling to inventory control and distribution, TSC Auto-ID logistics solutions will help you track goods throughout the supply chain. Using our barcode solutions, you can accurately identify inventory throughout your storage, handling, and distribution processes.

RETAIL

Simplify work flow processes

Whether it's tracking products, managing inventory, printing receipts, changing price tags or affixing special labels, TSC's sleek line of retail systems is designed to meet every such need a customer may have. Run your store faster and more efficiently, while boosting employee productivity, increasing margins through lower costs, and delivering top notch customer service.

HEALTHCARE

Greater medical safety through real-time access to correct case information

The barcode identification system reduces patient identification errors and ensures accurate tracking and management of patient medical records. Focus more time saving a patient's life and utilize all resources with one of our many printing solutions.

ENTERTAINMENT & HOSPITALITY

Simple interface streamlines ticketing and order taking

Compact, user friendly, and loaded with standard features, our line of printers is ideal for creating admission tickets, loyalty cards, VIP passes, coupons, event wristbands, shuttle bus tickets, and other entertainment-related media. Our printers support a variety of label styles, backgrounds and graphics to help create personalized tickets. Confidential information can also be added to prevent double-issuing and forgery of tickets.

CUSTOM SIGNAGE

High-performance labeling devices, easy solutions for custom needs

Whether warning or caution signage, regulatory labeling, container labeling, printing multiple rows of small labels, or even automatic labeling, the TSC product series has a solution for your specific needs.

TSC INDUSTRIAL LABEL PRINTERS: THE STRONGER CHOICE

For Unbeatable Price-Performance, Unsurpassed Durability

Whether you're tracking materials on the assembly line or through the supply chain, TSC industrial label printers ensure precise end-to-end identification, resulting in improved quality control and significant cost savings. Built to last, our industrial printers feature a heavy-duty steel enclosure and internal assembly designed for extended high-volume use in industrial environments. They are rugged, dependable and designed to operate in cramped work areas where space is at a premium.

With their unbeatable price-performance and reputation for durability, our printers have become popular around the world for hundreds of thousands of customers who realize that TSC is truly **"The Smarter Choice"** for their industrial labeling needs.

THERMAL TRANSFER INDUSTRIAL PRINTERS

INDUSTRIAL

- **MX241P SERIES – STRONG PERFORMANCE FOR HIGH VOLUME LABEL PRINTING.** Built ruggedly for high volume, high quality label printing. Featuring one of the fastest print speeds up to 18 ips in its class, the MX241P Series boosts productivity with quicker processing power, communications and printing speeds. It is ideal for applications that include manufacturing, logistics, shipping, and product identification.

KEY FEATURES

- Heavy duty die-cast aluminum design
- Fast print speed - up to 18 ips
- 4.3" color TFT touch panel with 6-key button design for new GUI
- 600 meter ribbon capacity

Model	Resolution	Max. Print Width	Max. Print Length	Max. Print Speed	Dimensions (W x H x D)	Weight
MX241P	203 DPI	4.09"	1,000"	18 IPS	300 mm x 393 mm x 510 mm 11.81" x 15.47" x 20.08"	18 kg
MX341P	300 DPI	4.09"	450"	14 IPS		
MX641P	600 DPI	4.09"	100"	6 IPS		

- **MH241 SERIES – FAST, HIGH VOLUME PRINTING FEATURING SOPHISTICATED DATABASE CONNECTIVITY.** The MH241 Series is TSC's mainstream industrial barcode label printer built upon the legacy of the MH240 Series. It brings new features to those looking for solutions to address evolving business challenges from growing production line demands to increasing operational complexities.

KEY FEATURES

- Supports top and bottom black mark media and selectable media sensor settings on display menu
- Capable of peeling off minimum 0.5" small label in length (MH241/MH341/MH641 and MH241T/ MH341T/MH641T)
- Supports 8"OD full roll internal rewinder (Only on MH241P/MH341P/MH641P)
- Easy printhead and platen roller replacement

Model	Resolution	Max. Print Width	Max. Print Length	Max. Print Speed	Dimensions (W x H x D)	Weight
MH241/MH241T	203 DPI	4.09"	1,000"	14 IPS	276 mm x 326 mm x 502 mm 10.87" x 12.83" x 19.76"	15.60 kg / 15.70 kg

MH641/MH641T	600 DPI	4.09"	100"	6 IPS		
MH241P	203 DPI	4.09"	1,000"	14 IPS	276 mm x 412 mm x 502 mm 10.87" x 16.22" x 19.76"	18.93 kg
MH341P	300 DPI	4.09"	450"	12 IPS		
MH641P	600 DPI	4.09"	100"	6 IPS		

- **MB240 SERIES – SMALL FOOTPRINT, BIG IMPACT.** It's compact design, quiet operation and fast label throughput is equally at home in the office or shop floor. Built on an all metal construction and die-cast aluminum print mechanism to withstand the toughest production environments. The MB240 features a small footprint, easily understood operator interface and a full set of options to meet nearly every printing application.

KEY FEATURES

- 3.5" intuitive color touch display
- Flexible & advanced TPH mechanism
- One step to quick setup/update

Model	Resolution	Max. Print Width	Max. Print Length	Max. Print Speed	Dimensions (W x H x D)	Weight
MB240	203 DPI	4.21"	1,000"	10 IPS	248 mm x 274 mm x 436 mm 9.76" x 10.79" x 17.17"	9 kg

MB240T	203 DPI	4.21"	1,000"	10 IPS		
MB340T	300 DPI	4.16"	450"	7 IPS		

■ **ML240 SERIES – SIMPLICITY AND AGILITY JUST ONE STEP AWAY.**

Its compact footprint is perfect for crowded work environments and features ease of use, intuitive color GUI display, noise-reduced printing, and self-diagnostic TPH Care.

KEY FEATURES

- Robust and agile design for optimal quality
- Noise-Reduction printing engineering
- Self-Diagnostic TPH care mechanism
- 2.3" color GUI display and intuitive indicator

Model	Resolution	Max. Print Width	Max. Print Length	Max. Print Speed	Dimensions (W x H x D)	Weight

ML340P	300 DPI	4.16"	450"	5 IPS		

WIDE WEB

■ **MH261 SERIES – EASY TO OPERATE WIDE WEB THERMAL**

TRANSFER PRINTER. Your answer for 6 inch wide format compliance labels, product identification labels, and pallet shipping/receiving labels. Two models are available to match the resolution and speed you need for your wide web labeling applications.

KEY FEATURES

- High quality die-cast aluminum design
- Supports media width up to 6.8"
- Easy printhead and platen roller replacement

Model	Resolution	Max. Print Width	Max. Print Length	Max. Print Speed	Dimensions (W x H x D)	Weight
MH261T	203 DPI	6.61"	580"	12 IPS	357 mm x 313 mm x 514 mm 14.05" x 12.32" x 20.24"	17.8 kg
MH361T	300 DPI	6.61"	260"	10 IPS		

■ **TTP-286MT SERIES – 8.6" WIDE-FORMAT THERMAL TRANSFER**

PRINTER. Ideally suited for compliance labeling, brand marketing, inventory control, drum labeling, warning signs and a host of other signage solutions. Two models are available to match the resolution and speed you need for your wide web labeling applications.

KEY FEATURES

- Die-cast chassis, sheet metal structure with clear media view window
- Can manage label widths up to 9.5" with a maximum print width up to 8.64" wide at 300 dpi high resolution
- 600 meter ribbon supply

Model	Resolution	Max. Print Width	Max. Print Length	Max. Print Speed	Dimensions (W x H x D)	Weight
TTP-286MT	203 DPI	8.5"	450"	6 IPS	440 mm x 336 mm x 514 mm 17.32" x 13.23" x 20.24"	23.7 kg
TTP-384MT	300 DPI	8.64"	200"	4 IPS		

COMMITMENT TO CUSTOMER APPLICATIONS

TSC PRINT ENGINE

Automation and Simple Integration

Equipped for years of reliability, ease of use, and cost-conscious serviceability, the PEX-1001 is an ideal solution for heavy duty print and apply applications where downtime is not an option. The rugged PEX-1001 offers simple integration into both new and existing label application installations.

APPLICATIONS BY PRINTER MODEL – THERMAL TRANSFER PRINT ENGINE

	PEX-1001 SERIES
Automotive	*

TSC COLOR LABEL PRINTER

Creativity Meets Flexibility for On Demand Color Printing

The CPX4 Series is a hassle-free solution for businesses that want the flexibility to design and print color labels on demand. The CPX4 Series can eliminate the cost of preprinted labels and provide the option to produce short run labels. The CPX4 Series consists of a pigment and dye version, CPX4P and CPX4D, allowing for customized color labels to suit any application, including printing GHS compliant labels.

APPLICATIONS BY PRINTER MODEL – DIGITAL COLOR LABEL PRINTER

	CPX4 SERIES
Office/School	*

4" WIDE

■ CPX4 SERIES – COLORIZE YOUR BUSINESS, EXPAND YOUR VISION.

The CPX4 Series is an advanced digital label printing solution, allowing for customized label design using pigment-or dye-based inks with astonishing resolution quality at an industry leading speed. It is a perfect fit for any application requiring vivid images on high quality labels.

KEY FEATURES

- Excellent resolution of 1200 x 1200 dpi in vivid color, crisp image and sharp text
- The adjustable media is capable of printing small labels 25.4 mm (width) x 6 mm (length)
- Capable of delivering GHS-compliant label and fulfill industry requirements
- TSC Color Management Program – TSC Color Matching Service, allows for colors that are clear and accurate

Model	Ink Type	Resolution	Max. Print Width	Max. Print Length	Max. Print Speed	Dimensions (W x H x D)	Weight

TSC DESKTOP LABEL PRINTERS

More Features, More Speed, Higher Reliability

If you're in the market for a desktop label printer that offers you more features and performance for the price, you'll quickly discover that TSC's products – from top to bottom – clearly outpace the competition. We offer a wide range of printers tailor-made for almost any desktop application – from patient ID bracelets, shelf labels and event wristbands to voter ID cards, and postal delivery labels. Our printers are loaded with multiple standard features that our competitors often price as options – or don't offer at all.

You'll enjoy the benefits of a printer that is not only rugged, reliable and economical, but also easy to set up, load and operate. Compare our printers with any other brand, and you'll discover what hundreds of thousands of others already have learned: TSC is clearly **"The Smarter Choice"** for a wide range of desktop labeling applications.

TSC MOBILE PRINTERS

Mobile Solutions Made Easy

TSC offers intelligently designed on the go mobile printing solutions to meet most demanding market needs.

- **ALPHA-2R – SMALLEST MOBILE PRINTER.** Alpha-2R is a comfortable, user-friendly, light-weight printer capable of working with any mobile printing application where you need access to quick, simple receipts or tickets. It is designed for rough environments, withstanding a 5ft drop or 6.5ft drop with the optional protective case. The Alpha-2R can connect via wired or wireless communication making it an easy to print and scan anywhere.

KEY FEATURES

- Energy Star 2.0 compliant printer with high capacity 1620 mAh Lithium Ion battery operates up to 17 hours of use per battery charge
- Largest media capacity in the 2" receipt market supports 58 mm wide and 50 mm outer diameter receipt roll
- WIFI CERTIFIED™

Model	Resolution	Max. Print Width	Max. Print Length	Max. Print Speed	Dimensions (W x H x D)	Weight
ALPHA-2R	203 DPI	1.89"	90"	4 IPS	89.3 mm x 134.5 mm x 56.5 mm 3.52" x 5.3" x 2.22"	0.35 kg

- **TDM SERIES – GET YOUR RECEIPTS ANYWHERE.** Built with a centralized TSC printer management system, the TDM Series allows for real-time printer health status in two ways – TPH Care Mechanism and Battery Management Solution. By using its self-diagnostic TPH Care Mechanism, the printer can ensure stable, high-quality printouts every time. And with the TDM Series battery management solution, the printer effectively monitors the charging status to maximize battery capacity.

KEY FEATURES

- High capacity 1130 mAh & 3080 mAh Lithium Ion battery operates up to 17/42 hours of use per battery charge
- Self-Diagnostic TPH Care Mechanism
- Smart Battery with TSC Printer Management

Model	Resolution	Max. Print Width	Max. Print Length	Max. Print Speed	Dimensions (W x H x D)	Weight
TDM-20	203 DPI	1.89"	110"	4 IPS	79.0 mm x 116.0 mm x 36.5 mm 3.11" x 4.57" x 1.44"	0.22 kg
TDM-30	203 DPI	2.83"	110"	4 IPS	105.0 mm x 116.0 mm x 49.5 mm 4.13" x 4.57" x 1.95"	0.38 kg

- **ALPHA-3R – SIMPLIFY YOUR EVERYDAY MOBILE PRINTING NEEDS.** The Alpha-3R is a comfortable, light-weight printer capable of working with any mobile printing application where you need quick, simple receipts/selected labels on demand. Featuring one of the largest media capacities in its class, and a long-life rechargeable battery – you will spend more time working and less time on maintenance.

KEY FEATURES

- Large paper capacity to reduce the frequency of changing paper roll
- High-speed processor and extensive memory for fast print speeds of up to 4" (102 mm) per second
- Lasts more than 30 hours of printing receipts/selected labels on a single battery charge

Model	Resolution	Max. Print Width	Max. Print Length	Max. Print Speed	Dimensions (W x H x D)	Weight
ALPHA-3R	203 DPI	2.83"	90"	4 IPS	116 mm x 148 mm x 70 mm 4.57" x 5.83" x 2.75"	0.55 kg

- **ALPHA-4L – RUGGED AND RELIABLE MOBILE LABEL PRINTING.** The Alpha-4L is designed to reliably deliver the mobile labeling and document printing applications you need in the most demanding environments. The printer features a large media cabinet and a long-life rechargeable battery to minimize downtime. With its optional case, the printer is IP54-rated to resist dust, water, and also can endure up to a 6 foot fall and continues to print.

KEY FEATURES

- Works with EPL, ZPL, CPCL, TSC Droid APP & SDK, WinCE Quick-link tool & SDK, iOS SDK
- Wired & wireless communication available: USB 2.0, RS-232, Bluetooth, and 802.11 a/b/g/n
- Linerless ready

Model	Resolution	Max. Print Width	Max. Print Length	Max. Print Speed	Dimensions (W x H x D)	Weight
ALPHA-4L	203 DPI	4.09"	90"	4 IPS	160 mm x 191.6 mm x 79 mm 6.30" x 7.54" x 3.11"	1.1 kg

- **ALPHA-30L/40L – INTELLIGENT LABEL PRINTING FOR ENTERPRISE PROFESSIONALS.** The Alpha-30L and Alpha-40L are industrial grade label mobile printers capable of working with almost any mobile printing application where you need quick, simple receipts/labels on demand.

KEY FEATURES

- IP54-rated
- Withstand 1.0 m tumble
- Withstand up to 6-ft. (1.8 m) drop, 8.2-ft. (2.5 m) with protective case
- Built-in peeler or linerless kit option
- TSC Sense Care to monitor smart battery and printhead status

Model	Resolution	Max. Print Width	Max. Print Length	Max. Print Speed	Dimensions (W x H x D)	Weight
