Lenovo

## Safety information

### Plastic bag notice

**DANGER:** Plastic bags can be dangerous. Keep plastic bags away from babies and children to avoid danger of suffocation.

### Lithium coin-cell battery notice (for selected models)

**DANGER:** Danger of explosion if battery is incorrectly replaced.

If the coin-cell battery is not a CRU, do not attempt to replace the coin-cell battery. Replacement of the battery must be done by a Lenovo-authorized repair facility or technician.

The Lenovo-authorized repair facilities or technicians recycle Lenovo batteries according to local laws and regulations. When replacing the lithium coin-cell battery, use only the same type or equivalent type that is recommended by the manufacturer. The battery contains lithium and can explode if not properly used, handled, or disposed of. Swallowing the lithium coin-cell battery will cause choking or severe internal burns in just two hours and might even result in death.

Keep batteries away from children. If the lithium coin-cell battery is swallowed or placed inside any part of the body, seek medical care immediately.

#### Do not:

- Throw or immerse into water
- Heat to more than 100°C (212°F)
- Repair or disassemble
- Leave in an extremely low air pressure environment
- Leave in an extremely high-temperature environment
- Crush, puncture, cut, or incinerate

Dispose of the battery as required by local ordinances or regulations.

The following statement applies to users in the state of California, U.S.A.

California Perchlorate Information:

Products containing manganese dioxide lithium coin-cell batteries may contain perchlorate.

Perchlorate Material - special handling may apply, see

<https://www.dtsc.ca.gov/hazardouswaste/perchlorate>

## Compliance, recycling, and environmental information (for specific countries or regions)

### Compliance information

The latest compliance information is available at <https://www.lenovo.com/compliance>.

### Electromagnetic emission notices

This device has been tested and found to comply with the limits for a Class B digital device. The *Generic Safety and Compliance Notices* for this product provides the complete Class B compliance statements that are applicable to this device.

### European Union (EU) / United Kingdom (UK) - Radio Equipment Compliance

EU contact: Lenovo (Slovakia), Landererova 12, 811 09 Bratislava, Slovakia

UK contact: Lenovo, 3rd Floor, 25 Templer Avenue, Farnborough, GU14 6FE, UK

Hereby, Lenovo declares that the radio equipment with wireless communications is in compliance with Directive 2014/53/EU, as well as UK Radio Equipment Regulations SI 2017 No. 1206. The full texts of the system declarations of conformity are available at <https://www.lenovo.com/us/en/compliance/eu-doc> for EU and <https://www.lenovo.com/us/en/compliance/uk-doc> for UK.

Usage of this device is limited to indoor use in the WLAN band 5150 - 5350 MHz.

### Eurasian compliance mark

### Radio frequency compliance information

Devices equipped with wireless communications comply with the radio frequency and safety standards of any country or region in which it has been approved for wireless use.

### Additional compliance information

#### Regulatory labels

Your government-required information may be provided through a physical label on the product, or the product packaging.

#### Australian Consumer Law

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

### Recycling and environmental information

Lenovo encourages owners of information technology (IT) equipment to responsibly recycle their equipment when it is no longer needed. Lenovo offers a variety of programs and services to assist equipment owners in recycling their IT products. For information on recycling Lenovo products, go to <https://www.lenovo.com/recycling>.

For additional recycling and environmental statements, refer to your *Generic Safety and Compliance Notices*. The latest environmental information about our products is available at <https://www.lenovo.com/ecodeclaration>.

### Important battery recycling and WEEE information

Don't dispose of your product or battery with your household waste. Refer to the *Generic Safety and Compliance Notices* that came with your product for further information, or go to <https://www.lenovo.com/recycling>.

### Legal notice

For additional legal notices, refer to the *Generic Safety and Compliance Notices* at [https://smartsupport.lenovo.com/docs/generic\\_notices\\_smart\\_class\\_b](https://smartsupport.lenovo.com/docs/generic_notices_smart_class_b).
