

Projects

Turkey Booklet

Create this easy and colorful booklet in your classroom or in your home and write down what you are most thankful for this year.

Materials Needed:

- [Pacon® Peacock® Construction Paper](#)
- Scissors
- Pencil
- Stapler
- Glue
- Black Marker

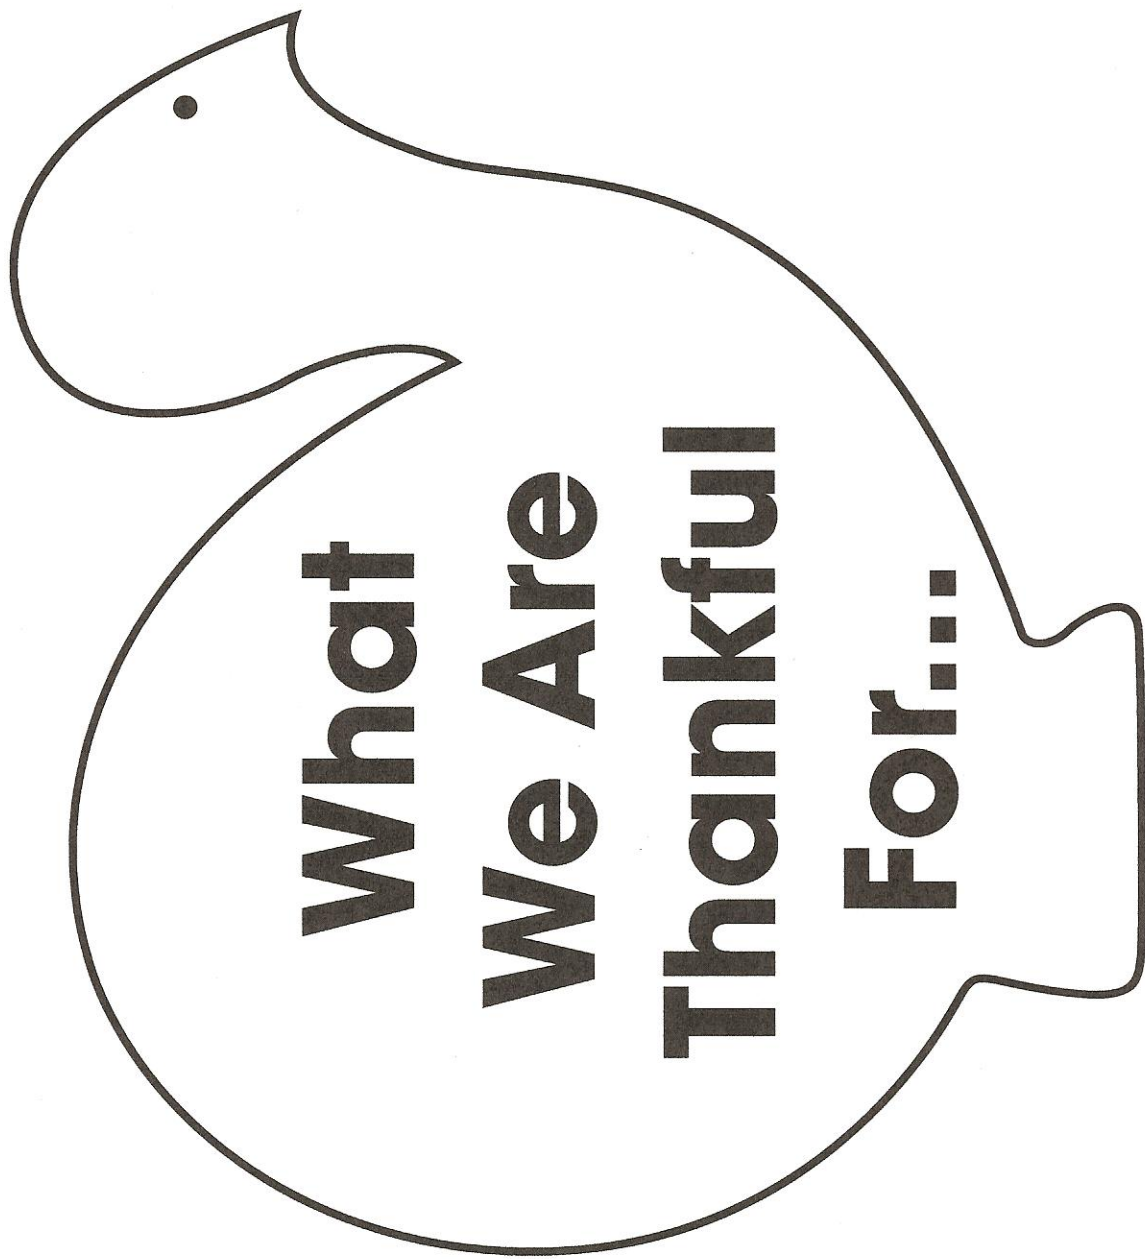

[Turkey Pattern](#)

Instructions:

1. Cut two turkey patterns out of brown Peacock® Construction Paper for the front and back cover of your book.
2. Have each student or family member cut out one turkey from the same pattern. This will let them each have their own page to decorate and write what they are thankful for.
3. Cut thin multi colored strips for the Peacock® Construction Paper and cut out the turkey's wobbler.
4. Glue the colored strips and its wobbler to the front cover of the turkey and write your book's title.
5. After each student or family member is done with their page bind all pages between the two covers with a staple behind the colored strips.
