Fun Idea

State the Shapes

Each student goes to the front of the class, picks a card from the stack of flash cards and draws the state on the board. After the student gives a hint from the card, someone tries to guess the state. Whoever answers correctly, gets to do the next one.

Fun Idea

Word-a-Day

Invite a different student each day to select one flash card to be the "word of the day." Encourage children to look and listen for the word throughout the day, and to use it in sentences as often as possible. A fun vocabulary builder!
