

leading through innovation

Pocket Flash Drive

The Imation Pocket Flash Drive combines a compact, professional design with the performance and storage capacity needed to easily manage and transfer digital files.

Available in capacities from 1GB to 8GB, the Pocket Flash Drive's compact, lightweight design allows it to easily slip into your pocket, onto a keychain, or around your neck with the included lanyard. Combined with the password protection and drive partitioning software, the Pocket Flash Drive is an affordable way to safely transfer data, music, photos or video.

Features & Benefits

- **Affordable Price** – Packed with the capacity of other flash drives, the Pocket Drive is the high-value and affordable solution for portable data storage.
- **Compact Size** – Compact and lightweight form factor, provides a simple way for mobile consumers and business professionals to transport files such as presentations, emails, audio, and video files.
- **Professional Design** – A sleek look and a dependable design offers simplicity and professionalism.
