

1U Rackmount Brackets for KVM Switch (SV431 Series)

Product ID: SV431RACK

The SV431RACK 1U rack mount brackets let you mount your SV431 / SV431D KVM switch into a rack or cabinet.

Designed for simple installation and maximum server rack space-efficiency, the rack brackets include a cable support bracket that reduces stress on KVM cables and switch connectors.

Check your KVM's accessory list for compatible mounting options.

This product is TAA compliant and backed by a Startech.com 2-year warranty and free, lifetime technical support.
