EPSON®
EXCEED YOUR VISION

www.epson.com/UltraHD

* Available on Windows and Mac OS X 10.5 or later. See www.apple.com for Mac OS X 10.5 release date.

** PPM/CPM measured after first page. Color photo measured from start of paper feed. See www.epson.com/printspeed

† Ink lightfastness ratings based on accelerated testing on specialty media, stored in an album. Actual results vary according to media, image, display conditions, light intensity, humidity and atmospheric conditions. Epson does not guarantee longevity. Visit www.wilhelm-research.com

†† Yields vary considerably based on images printed, print settings, paper type, frequency of use and temperature. For print quality, a small amount of ink remains in the cartridge after the "Replace cartridge" indicator comes on. See www.epson.com/cartridgeinfo
