Removable free arm
- Slide off arm for easy cylindrical serging.

Storage
- Accessory tool storage on front panel flip-down door. Removable trim trap for foot controller storage and trim collection while serging.

Included bilingual operation manual and multi-part informational videos

Overview

Ideal for sewing decorative and finishing stitches on linens, formal wear and stretchy fabric, this 3/4 serger includes 22 built-in stitch functions and interchangeable creative feet. The 1034D Serger features a 3/4 lay-in thread system with lower looper threader. Stitch options include 4 thread overlock, 3 thread overlock, narrow hem, rolled hem, and ribbon lock stitches. In addition, the machine has a free arm/flat bed convertible sewing surface and offers a F.A.S.T. lower looper threading system for easy thread changes. The differential feed helps improve sewing results on stretchy or thin fabrics to give you a perfect finish. Snap-on presser feet allow quick and easy changes to transition to each desired stitch. The 1034D also includes an instructional video to make serging fast, easy and fun.
