

3.5mm 4 Position to 2x 3 Position 3.5mm Headset Splitter Adapter - F/M

StarTech ID: MUYHSFMM

The MUYHSFMM 4-Position 3.5mm to dual 3.5mm Headset Splitter Adapter features one 3.5mm Female and two 3.5mm Male connectors, enabling you to connect a 4-position headset with Audio and microphone input to your PC or Laptop.

This 3.5mm Headset Splitter Adapter connects into both the audio and mic ports on your desktop or laptop computer, providing a single (4-Position) female connector - a perfect solution for online gaming or use with VOIP applications (Skype, chat programs).

Featuring a compact, yet sturdy design, the headset splitter delivers the perfect solution for applications that require portability, and takes up very little space in your laptop bag.

StarTech.com's 2x Male 1x Female headset splitter adapter is backed by lifetime warranty.

Applications

- Use newer headsets (audio and mic) that are equipped with a combo 4-position/4-pin audio port, with older laptop or desktop computers
- Connect newer headsets to a PC or Laptop for use with VOIP applications (Skype, chat programs)

Features

- Compact design for maximum portability - a great solution to have on hand in your laptop bag
- Lightweight, yet sturdy design that can easily be plugged in when required
