Business Tote (Black) AEBTote-01BK

Features: Ideal for people who work in their vehicles and need a hanging file solution and laptop storage while traveling in and out of the car. The tote comes with a removable hanging file case that can be used in a traditional office, or used empty for storage of other materials. Your computer fits neatly into the padded storage area designed for laptops 16" or smaller. Two oversized side pockets secure with Velcro and are perfect for storing PDAs, MP3 players, or cell phones. The oversized front pocket is great for holding loose documents, power cords, and portable electronics. Inside the front pocket is yet another storage pocket, and 5 elastic pen/pencil holders. The Business Tote is self standing, and secures into the vehicle with a built in seat belt loop. The seat belt loop fits neatly onto the pull handles of wheeled luggage carts.

Specs (Business Tote):

- Case 15"L X 12"H X 9"W, quilted 1680 ballistic nylon
- Shoulder strap with shoulder pad 44.5"L X 1.5"W, heavy duty webbing, easy to use claw-style clasp
- Heavy duty #10 zipper
- 4 rubber feet on bottom of case
