LEXMARK

Features that help you optimize your work

Lexmark C792dhe color laser printer shown with optional finisher

1) Intuitive color touch screen

The 4.3-inch color touch screen allows you to operate your printer with ease and confidence through smart and intuitive navigation, easy access to workflow solutions and shortcuts, and the ability to preview your documents and print jobs at the device.

2) Flexible output options

Choose from four output options, including a five-bin mailbox, an offset stacker, a staple finisher, and a staple with hole punch finisher.

3) Direct USB

A front USB port allows for convenient walk-up preview and printing and is compatible with most printable image file formats.

4) Lexmark solutions

Reduce unnecessary printing and simplify work processes through solutions applications preloaded on your device. Choose additional Lexmark solutions to fit your unique workflow needs.

5) Expandable input

Print on multiple paper types and boost total capacity up to 3,200 sheets.

6) Long-lasting toner

The Lexmark Extra High Yield Print Cartridge delivers up to 20,000* pages, reducing interventions, cartridge waste and cost.

7) Eco-friendly features

Easy-to-access features make it easy to print responsibly, including Eco-Mode to reduce paper and toner consumption, and the Sleep button and Hibernate Mode to help you save energy.

*Average continuous black or composite CMY declared cartridge yield in accordance with ISO/IEC 19798.

Robust Color Printing

Designed for medium to large workgroups, the Lexmark C792 Family meets the demands of your busy color-printing environment. Vibrant, professional-quality output and the ability to print on a wide variety of media allow you to do more color printing in-house. With the advanced color laser technology of the C792 Family, you'll get excellent, consistent color from the first page to the last.

- Lexmark Extra High Yield Print Cartridge available, offering yields of up to 20,000* pages
- Print and duplex** speeds as fast as 50 ppm in both black and color
- PANTONE® calibration for consistent color tones
- Named Color Replacement for easy color matching
- Lexmark Color Care Technology to manage color usage and control costs
- Instant warm-up fuser to help reduce energy consumption and improve time to first page

Flexibility

Choose from a variety of models to best serve your needs. Select from a number of expandability options and finishing features you would expect from more expensive products.

- Ultra-reliable paper feeding to support diverse media, including card stock, labels, UV-resistant outdoor media, banner media and more
- Robust output options, including a five-bin assignable mailbox, an offset stacker, a staple finisher, and a staple with hole punch finisher
- Input capacity expandable to up to 3,200 sheets with the high-capacity feeder and an extra drawer
- Connectivity and application solution cards allow integration into most IT environments

Easy and Intuitive

The Lexmark C792 Family is designed for easy operation and maintenance.

- 4.3-inch color touch screen provides audible feedback to make completing tasks intuitive
- Print Preview features help you select documents or specific pages within a document
- Directional lights on the device provide visual cues to guide you through tasks and maintenance operations
- Ability to change settings such as duplex** or stapling at the device
- Available device fleet management software
- Sleep button and Hibernate Mode, helping to reduce energy costs

*Average continuous black or composite CMY declared cartridge yield in accordance with ISO/IEC 19798.
** Duplex not available on C792e model.

Print Less. Save More.

Print less? This may seem like a surprising message for a company dedicated solely to printing. But when you consider that businesses spend on average up to 6% of their revenue on printing and that active print management can cut office print costs by up to 30%*, it makes a lot of sense. Lexmark products, solutions and services provide innovative ways to save you time, drive down costs and reduce your impact on the environment. We are committed to helping you print less and save more.

Solutions

Save time and money through solutions

Reduce unnecessary printing and simplify work processes with Lexmark solutions. The C792 Family features the Lexmark Embedded Solutions Framework (eSF), our platform that enables you to add a wide range of software applications directly onto the device. Solutions are designed with your productivity in mind, helping you streamline—or even eliminate—paper intensive business processes.

Below are solutions that come preloaded on the C792 Family. A diverse portfolio of additional Lexmark solutions is available to help accommodate your workflow needs.

Forms and Favorites
Eliminate waste and inefficiencies associated with preprinted forms. Store frequently printed forms, marketing materials or other documents online, then print them on demand.

Background and Idle Screen
Change the touch screen background to your corporate logo, a unique message, or select one of the four screens that are preloaded on the device.

Eco-Settings
Choose from multiple print settings that help reduce energy, paper and toner consumption.

Change Language**
Easily switch the language displayed on the touch screen – 18 languages supported.

Showroom
Display a customizable, scrolling slideshow on the color touch screen to promote your business or products, or to communicate important messages to your customers or employees.

Make a lasting impression with award-winning color

The documents you print define an important image – yours. That's why Lexmark color lasers help businesses be more productive and stand out with vibrant color. With the ability to print professional quality color in-house, you can add instant impact and save costs by virtually eliminating the need to outsource print jobs. Lexmark also offers a host of color-access and control tools to manage costs.

Functions

The right touch

The Lexmark e-Task color touch screen is a key access point to your printer. The customizable 4.3-inch interface gives you the ability to preview thumbnails of documents prior to printing, as well as change print jobs at the device. You can even view, select and print specific pages within a document directly from the touch screen. Its easy-to-use, intuitive navigation provides fast access to the functions, shortcuts and workflows you use most. New interactive sensory features provide audible feedback, helping to guide you through each operation, confirming a touch has registered and indicating an action is transpiring.

Protecting your information

From the data traveling through your network to the pages being printed, Lexmark's innovative security controls give you peace of mind that your valuable corporate data is protected at every stage.

- Cutting-edge user authentication and authorization controls, including LDAP, help protect your device and data
- Card reader option to add an extra layer of security
- Hard disk encryption protects sensitive data on the disk drive

- Automatic, scheduled or manual disk wiping
- IPSec, SNMPv3 and 802.1x network security supported
- Security-audit logging to help track and identify security risks
True Image Always

Lexmark is dedicated to designing and manufacturing products that deliver exceptional quality and reliable performance. Maximize the return on your investment, extend the service life of your Lexmark printing equipment and make a lasting impression by always insisting on Lexmark Genuine Supplies, Service and Parts. Lexmark C792 Family color laser printers are backed by a one-year base warrany For further protection against unexpected expenses or downtime, extended warranty offerings are available.

Eco-responsible printing

Printing responsibly means everyone wins – your business, your budget and the environment. Lexmark's award-winning products are designed for ease of use, high quality output and reliable performance, with innovative capabilities that help you minimize the number of cartridges you use over the life of the printer and conserve paper and energy. Our goal is to design, package and deliver innovative products and solutions in an environmentally responsible manner.
