

THE SIGHTS & SOUNDS
OF EDUCATION

Classroom Pack of thirty Individual Storage Stereo Headphones

Model CA2-30

These lightweight stereo headphones can be personalized with a student or teacher name, classroom number or school to reduce spread of communicable diseases.

1. Convenient moisture resistant storage bag
 2. Flexible, adjustable headband fits all student sizes with recessed wiring which resists prying fingers for classroom safety
 3. Permanently attached straight cord with reinforced connection resists accidental pull out
 4. Rugged carrying case stores thirty headphones and is ideal for itinerant teachers, mobile AV carts and computer labs
 5. 6 foot straight cord with right-angle 3.5mm plug (and screw-on 1/4" adapter) for space saving connection to media player
 6. Labeling area to personalize with school and/or student name
- Warranty for school use - unlike headphones purchased at consumer electronics stores whose warranties would be voided if used in schools
