

2m HDMI® Extension Cable - M/F

StarTech ID: HDEXT2M

The HDEXT2M HDMI® extension cable (2m) features an HDMI 19-pin (male) connector on one end and an HDMI 19-pin (female) connector on the other, providing an extra 2-meter connection distance between your HDMI-enabled devices.

This high quality HDMI extension cord fully supports 1080p+ resolutions at up to 120Hz refresh rate, with life-like color. To accommodate the demands of high-definition devices, such as increased resolutions and higher frame rates, our HDMI extension cables can support bandwidth up to 340 MHz (10.2 Gbps) and display resolutions up to 1440p.

Guaranteed for dependable performance, this high quality extension cable is backed by StarTech.com's Lifetime Warranty.

About StarTech.com HDMI to HDMI Cables:

StarTech.com High Speed HDMI extension cables are expertly designed and constructed of only top quality materials to ensure high quality, high-definition performance. The HDMI standard combines high bandwidth video and multi-channel digital audio into a single cable, and provides crystal clear image resolution.
