

2m (6 ft) USB Left Angle Cable for iPhone / iPod / iPad with Stepped Connector

StarTech ID: **USB2ADC2ML**

The USB2ADC2ML USB cable for iPhone®, iPod® and iPad® (2m) features a left-angled Apple® Dock Connector which positions the cable in such a way that it allows you to easily access your iOS-enabled mobile digital device in both portrait and landscape mode, even while charging.

The longer USB to iPhone cable design offers 2-meters in cable length to overcome distance restrictions while still providing full charging power.

Plus, the USB to iPhone cable features a uniquely constructed stepped Apple Dock Connector, designed by StarTech.com. Unlike a regular connector, the exclusive stepped connector plugs into your iPhone, iPod or iPad, even when inside a protective case, avoiding the inconvenience of having to constantly remove the cover for every charge/sync.

Backed by Lifetime Warranty, this durable USB cable for iPhone, iPod or iPad makes a dependable replacement for damaged or misplaced sync cables.

Applications

- Text, work, or game on your iPhone®, iPod®, or iPad®, even while charging, without the cable getting in the way
- Charge your Apple® devices from a computer, USB wall charger, or vehicle USB charger
- Replace a damaged or misplaced USB cable for your iPhone/iPod/iPad

Features

- 1x USB 'A' male connector
- 1x Left-angled stepped Apple Dock Connector
- High quality 24 AWG wire
- Offers 2m in cable length
- High quality connectors, suited for repeated connections/disconnections to/from your iPhone®, iPod® or iPad®
- Compatible with all existing Apple® dock cable connectors
- Aluminum-Mylar Foil with Braided Shielding
- Supports high-speed USB data transfer rates of up to 480 Mbps
