

# Roma™

Roma offers a family of seating with simple clean lines. It combines both function and ecology which reinforces our commitment to environmental sustainability. The components, seats, backs, bases, mechanisms, arms and casters can all be endlessly recycled.

1906  
Mesh Medium Posture Back with arms.

Even the fabric can be recycled and is recyclable. Everything except the foam is recyclable. The foam is made from Soya oil based technology which leaves petroleum oil in the ground for our future generations.

# Roma™

## Mesh Back

The mesh back is formed by combining stretch mesh and contoured stripes that provide truly customized comfort and support. No external lumbar support is needed.

## Polypropylene Back

Custom fitted support, promotes healthy movement, proper spinal alignment & comfort.

## Upholstered Back

Upholstered back cover is easily removed and replaced, slips on the polypropylene back.
