4XEM 6ft 2m Lightning cable for Apple iPhone, iPad, iPod - MFi Certified

4XEM Part - 4XLIGHTNING6

Connect all your Apple iPhone, iPad, or iPods with our 8-pin Apple Lightning connection to your computer's USB 2.0 or higher port, for fast syncing and charging. 4XEM's 6ft or 2M 8-pin Lightning to USB cable can be paired with the 4XEM USB power adapters, 4XAPPLECHARGER or the 4XIPADCHARGER. It makes it very convenient for you to charge your devices from any regular wall outlet. Our Apple compatible and MFi certified cables deliver dependable performance and durability with reinforced molded ends to prevent excessive usage wear.

**Problem it solves:** The 4XEM 6ft/2M Lightning cable for Apple 8pin Lightning devices makes a perfect high quality backup or replacement charge and sync cable for all your Apple 8pin Lightning connection devices. The added length gives you more way more flexibility with 6ft of cable you can charge or sync your device from anywhere in the room. When charging, or transferring data to and from any Apple device, always trust 4XEM Connectivity!
