

## 3m Black SuperSpeed USB 3.0 Cable - Right Angle A to B - M/M

StarTech ID: USB3SAB3MRA

The USB3SAB3MRA 3m Black USB 3.0 A to B cable features a right-angled USB 'A' male connector, enabling you to connect your USB 3.0 Type 'B' peripherals to your PC, laptop, or server, even in hard to reach areas and tight spaces.

The right-angled USB 'A' connector positions the cable nearly flush against a wall or other surface, and eliminates the space typically required to accommodate a 'straight' connection from the cable into the USB port.

Harnessing the full capabilities of the SuperSpeed USB 3.0 standard when used with a USB 3.0 host and device, the 3m cable offers a bandwidth of 5Gbps.

Plus, this right angle USB 3.0 cable also features high quality Shielded Twisted Pair (STP) construction, which helps prevent electro-magnetic interference and ensure reliable data communication.

The USB3SAB3MRA USB 3.0 A to B cable is backed by StarTech.com's Lifetime Warranty, for guaranteed quality and dependability.
