

### 3.5mm 4 Position to 2x 3 Position 3.5mm Headset Splitter Adapter M/F - White

StarTech ID: MUYHSMFFADW

The MUYHSMFFADW Headphone/Microphone Splitter features one 4-pole (4-pin) 3.5mm male (TRRS) and two 3-pole (3-pin) 3.5mm (TRS) female connectors, enabling you to add a mono microphone input, as well as a stereo output to your PC or Laptop, through a single 3.5mm audio port.

While some of the newer laptops from Apple® and Dell® feature only a single (4-pole) 3.5mm audio port to support both audio input and output, this innovative headset splitter adapter breaks the audio port out into two distinct ports - one that can be used for a microphone input connection, and the other for connecting external (output) speakers.

This headset splitter can be used with any portable device that uses a 4-pole 3.5mm mini jack, such as your iPhone®, iPod® and iPad®, and features a compact, lightweight design that takes up very little space in your laptop bag.

The MUYHSMFFADW 3.5mm headset splitter is backed by StarTech.com's lifetime warranty for guaranteed reliability.

#### **Please note:**

This adapter is not a headphone splitter/Y-cable. It cannot be used to split the audio output to two separate sets of headphones or speakers.

Some laptops and mobile devices will not work with all external microphones. This is typically caused by an impedance mismatch between the microphone and the device. This is due to hardware incompatibility and is not a limitation of the MUYHSMFFADW adapter.

To ensure proper hardware detection, we recommend that the external headset be plugged into the adapter first, before the adapter is connected to the computer or mobile device.

## Applications

- Allows the use of an external microphone and speakers with PCs or Laptops, that are equipped with a combo 4-position/4-pole audio port

## Features

- 1x 3.5mm Mini-Jack 4 Position Male Connector
- 2x 3.5mm Mini-Jack 3 Position Female Connectors
- Compact, lightweight design

## Technical Specifications

Warranty	Lifetime
Cable Jacket Type	PVC - Polyvinyl Chloride
Connector Plating	Nickel
Connector A	1 - 3.5 mm Mini-Jack (4 Position) Male
Connector B	2 - 3.5 mm Mini-Jack (3 Position) Female
Cable Length	6 in [152.5 mm]
Color	White
Connector Style	Straight
Product Length	6 in [152.5 mm]
Product Weight	0.4 oz [10 g]
Wire Gauge	28 AWG
Package Quantity	1
Shipping (Package) Weight	0.5 oz [13 g]
Included in Package	1 - White 3.5mm 4 Pos to 2x 3 Pos 3.5mm Headset Splitter Adapter - M/F
