4XEM 8-Pin Lightning to HDMI Adapter For iPhone/iPod/iPad - MFi Certified

4XEM Part- 4XLIGHTNINGHDMI

Made for
iPhone | iPad | iPod

Connect all your Apple iPhone, iPad, or iPods with 8-pin Apple Lightning connection to your HDTV with 4XEM MFi Certified Lightning Digital AV adapter. The Lightning Digital AV Adapter supports mirroring of what is displayed on your device screen. Mirror your apps, presentations, websites, slideshows and much more directly to your HDMI compatible TV or projector. Pair with any of our 4XEM HDMI cable like 4XHDMIMM3FT or our pro series 4XHDMI4K2KPRO3 for complete 4XEM quality and durability. Our Apple compatible cables deliver dependable performance and durability with the reinforced molded ends to prevent excessive usage wear.

The 4XEM Lightning Digital AV adapter for Apple 8pin Lightning devices makes it very easy to mirror and display your Apple device screen to a much larger TV or projector. Great for company meetings when you show the whole team what you are working on or simply running a movie from your iPhone. When displaying from any Apple device, always trust 4XEM Connectivity!
